The
E. C. "Billy" Hayes
N. C. A. A.
Cross Country
Memorial Trophy

The late E. C. "Billy" Hayes, one of the founders of the National Collegiate Athletic Association Cross Country Championships and, subsequently, of the National Collegiate Cross Country Coaches Association, was for nearly twenty years a coach at Indiana University. During the later years of his life he was accorded general recognition as one of America's most effective developers of distance runners. Billy Hayes was president of the National Collegiate Cross Country Coaches Association in 1939. He died on December 13, 1943.

To help perpetuate the memory of his friend, The E. C. "Billy" Hayes N.C.A.A. Cross Country Memorial Trophy is the personal contribution of Mr. L. G. Balfour of Attleboro, Massachusetts, an alumnus of Indiana University. This handsome trophy, which Mr. Balfour in 1945 placed in the custody of the N.C.C.C.A., is presented each year to the winner of the team championship at the N.C.A.A. Cross Country Championships. The institution whose team wins the championship has the right to retain the trophy for display on its campus for a limited period, after which the trophy is returned to the Secretary of the N.C.C.C.A. to have the names of the winning team members, along with that of their coach, engraved on the base of the trophy.

The honor of being the first to win this distinction went to Drake University of Des Moines, Iowa, in 1945 when its team won the N.C.A.A. Cross Country title for the second consecutive year.

DEDICATION

Any success this meet may achieve from an operational point of view is due largely to the fine, wholehearted cooperation of a large number of staff members, students, and friends of Michigan State College, most of whom have received no material compensation for their efforts.

It appears to be inevitable that in an acknowledgement of this nature, any listing of names will be incomplete. The writer has no intention, however, that this shall be an excuse for not making an attempt to express his sincere gratitude to all friends who in any way have been of assistance in this project. To them this program is dedicated.

NATIONAL COLLEGIATE 4-MILE CROSS COUNTRY COURSE

START OF RUN—On the parking lot east of Jenison Gymnasium.

FINISH OF RUN—On the running track near the 110 yards High Hurdles starting post.

THE COURSE—Starting on the large parking lot in front of Jenison Gymnasium, the course leads east past Macklin Field to the Short Course dormitories where it turns south, passing around the Forestry Nursery building to Shaw Lane. Here the course goes west as far as the west gate of the parking lot below Macklin Field and then

turns north, running alongside first the west boundary fence and then the north fence of Macklin Field. From this point the course follows the River Road east across Farm Lane to the College Sugar Bush. After following the service road on a broad loop through the sugar bush for nearly a mile, the course returns to Farm Lane, leads south as far as Shaw Lane, and then turns west, continuing in this direction to the south gate of the track compound. From here the course follows the running track in a clockwise direction for nearly a quarter mile to the finish line located on the east leg of the track.
