SUPREME COUNCIL FOR SPORT IN AFRICA

Track Fans of the World:

Whenever people come together for a common purpose there is bound to arise from the exchange some knowledge, appreciation and understanding of one another. And this is even more true when two different cultures meet in friendly and healthy rivalry on the field of sport.

It is thus with great pleasure that the Supreme Council for Sport in Africa joins in welcoming you to the first Pan Africa/U.S.A. International Track Meet.

For the African athletes this meet offers a chance to pitch their strengths against world-class athletes. Each athlete can thus evaluate himself and be spurred on to work harder for the Olympic Games in 1972.

As no culture ever develops all its parts with the same degree of efficiency, athletes of both teams stand to gain from the social interaction that stems from such a meeting. They will learn about each other's culture. The American athletes will gain increased awareness of the historical and social aspects of the 14 African countries from which the athletes are drawn. The same goes for the African athletes of their American friends.

For the African coaches there will be the opportunity of working with top American coaches during and after the competition. This will contribute greatly to the training programs of the Supreme Council for Sport in Africa in an effort to produce efficient track and field coaches and to integrate with the European and African techniques of coaching.

On the part of the Supreme Council for Sport in Africa, there is a sense of achievement and a feeling of satisfaction that an all-embracing African Team has been assembled to compete under the flag for the first time irrespective of the differences which engulf peoples in Africa. This test of our united strength against the great United States team will aid us in planning our future. The meet will also help considerably in promoting track and field athletics on the Continent of Africa.

And it further demonstrates the truth of the Supreme Council's contention that sport can contribute immensely to the fostering of African Unity. For the period that the games will be on, all Africans at home and abroad will identify themselves willingly with the team, thus engendering the spirit of oneness.

The initiative by America is a glowing example to the Africans of the extent of brotherhood that exists among the Americans in the field of sports and it is proof that sport can remove social, religious and political differences for the good of man.

Finally I wish to express my profound gratitude on behalf of the Supreme Council for Sport in Africa and the Continent, to His Excellency the President, and the Government of the United States, to the Amateur Athletic Union, to the People of America, and to all American Ambassadors in Africa for their contributions to make this event a success.

Thank you and long live the Pan-Africa/American Games.

A. A. ORDIA, President
Supreme Council for Sport in Africa

STATE OF NORTH CAROLINA
EXECUTIVE DEPARTMENT
RALEIGH 27611

ROBERT W. SCOTT
GOVERNOR

The State of North Carolina is honored to be the host to the First Pan Africa-USA International Track Meet on July 16-17, 1971 in Wallace Wade Stadium, Duke University, Durham.

We welcome the meet participants, officials, members of the International Diplomatic Corps, distinguished guests, members of the news media and spectators to our midst.

Many positive goals of human understanding are often achieved through mutual interest and participation in the world of sports. We know the final results of these meet days will reflect closer bonds among us who are here at this first international track meet in the Southeastern United States.

On behalf of all North Carolinians please accept our best wishes for an enjoyable visit.

Cordially,

A handwritten signature in black ink that reads "Robert W. Scott".

Robert W. Scott

CITY OF DURHAM
NORTH CAROLINA

OFFICE OF THE MAYOR

On behalf of the citizens of Durham, I extend a warm welcome to the officials, athletes and spectators to the Pan-Africa-USA International Track Meet.

It is with a feeling of great pride that we host this international event, whose contributions to our community and to the world will far transcend the competition on the field. Our citizens will have the unique opportunity to interact with and learn from representatives of African nations and to serve themselves as representatives of America.

We owe a special debt of gratitude to two of our citizens, Dr. Leroy T. Walker and Mr. Al Buehler, who were instrumental in bringing this event to our city.

My best wishes for an exciting athletic event and an enjoyable visit to Durham.

Sincerely,

James R. Hawkins
Mayor

JRH:lbd

MEET COORDINATOR

The man who deserves much of the credit for bringing the Pan-Africa/USA International Track Meet into existence and to Wallace Wade Stadium is no stranger to track fans throughout the world.

Not content with merely bringing track success to North Carolina Central University in Durham, where he has been track coach and head of the Department of Physical Education and Recreation since 1945, Dr. Leroy T. Walker has carried his knowledge and experience around the nation and around the world. Among the nations which have benefited directly from his talents are Lebanon, Syria, Israel, Ethiopia, Haiti, Trinidad and Jamaica.

A native of Atlanta, Ga., Dr. Walker graduated from Benedict College in Columbia, S.C., in 1940. After a year's study resulting in an M.A. from Columbia University, he returned to his alma mater and served as head of the Physical Education Department and coached football, basketball and track. Similar positions at Bishop College in Marshall, Tex., and Prairie View (Tex.) College followed.

Dr. Walker came to Central in 1945 and Durham has never let him get away.

A PhD degree from New York University, awarded in 1957, was the climax of his professional preparation. A prolific writer, Dr. Walker is the author of three books: *A Manual in Adapted Physical Education*, *Physical Education for the Exceptional Student* and *Championship Techniques in Track and Field*.

Among the many great athletes trained by Dr. Walker are Olympic medalists Lee Calhoun, Ed Roberts and Norm Tate.

DR. LEROY T. WALKER
North Carolina Central University

MEET DIRECTOR

When one speaks of track in North Carolina, the name of Al Buehler can't be far behind.

Head track coach at Duke since 1966 and across country mentor for the past 16 years, Buehler has been an active participant in the development of track in the Tarheel State and throughout the nation.

The Philadelphia, Pa., native, who starred as a distance runner at Maryland, is past president of the U.S. Track Coaches Association and will serve as manager of the 1971 U.S. Pan American Games team. He also is a nominee for both assistant coach and head manager for the 1972 U.S. Olympic team.

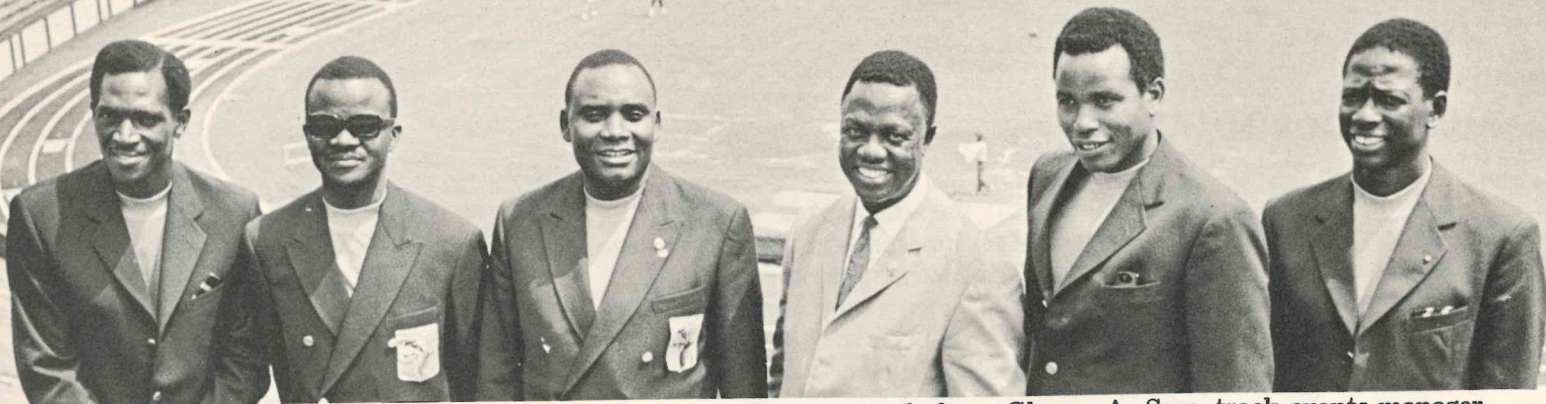

Buehler was graduated from Maryland in 1952 and received his Master's degree from the University of North Carolina in 1958.

His Blue Devil cross country teams have won three Atlantic Coast Conference championships, including the 1970 crown.

A valuable asset to the Blue Devil program, assistant coach Walt Cleary also is playing a major role in this meet, aiding Buehler as assistant meet director.

AL BUEHLER
Duke University

Pan-African Track Officials & Coaches—(L to R) Adjin Tettey, coach from Ghana, A. Sarr, track events manager from Senegal, Jean Claude Ganga, Secretary General of the Supreme Sports Council, Mr. Abraham Ordia, President of the Supreme Sports Council, Charles Mukora, coach from Kenya and Me Ibrahim N'Diaye, coach from Senegal.

 Awoture ELEAYE (Nigeria)

CAPTAINS

Kiphoge KEINO, (Kenya), Captain
 Namakoro NIARE, (Mali), Co-Captain
 Alice ANNUM, (Ghana), Co-Captain

MEET THE COACHES

FRANCIS

ALEX FRANCIS, Head Coach

Fort Hays State's head track and cross country coach, Alex Francis, is making his 24th year as a member of the FHS faculty this fall.

The head mentor is a member of the NAIA Track and Field Hall of Fame and served as the first president of the NAIA Track and Field Coaches Assn.

Internationally known in track and field circles, the Dunbar, Neb., native was head coach of the United States and Western Hemisphere teams competing in Europe last summer.

He coached the Pan American Games in 1967 at Winnipeg, Canada, and was honored as one of the U.S. Olympic coaches at Lake Tahoe for the 1968 American track and field tryouts.

This year, Francis will be head coach of the Pan American Games at Cali, Colombia, in South America.

Francis has been selected by NAIA as District 10, Area III Coach of the Year in 1971.

MOOBERRY

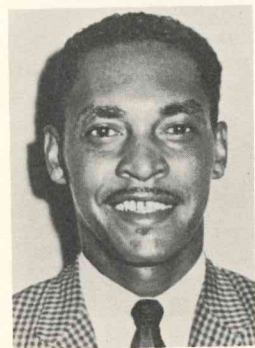

JACK MOOBERRY, Assistant Coach

Dean of track and field coaches in the Pacific 8, Jack Mooberry begins his 26th campaign at Washington State being named one of the coaches for the 1971 Pan-American games to be held in Cali, Colombia, this fall.

Mooberry has been at Washington State as head coach since 1946, and prior to that he had a four-year stand here as one of the Northwest's finest sprinters. Under Mooberry, WSU has had NCAA All-Americans 57 times and his second place finish in 1968 was the highest ever by a Cougar team.

In 1968 Mooberry was chosen as the first track and field coach of the year by members of the USTFF and USTCA.

In his 26 seasons at Washington State Mooberry has piled up an impressive record of 105 wins to 45 losses and one tie in dual meet competition. Under his leadership the Cougars have had 30 individual conference champions.

CALHOUN

LEE CALHOUN, Assistant Coach

Lee Calhoun, Olympic gold medal winner and one of America's all-time great track performers, is an assistant track coach at Yale under head coach Bob Giegengack.

Calhoun came to Yale from Grambling College, where he had served in the dual capacity of physical education instructor and head track coach.

An Indiana native, Calhoun was graduated from Roosevelt H. S. in Gary and was awarded a bachelor of science degree from North Carolina College in 1957.

So strong were Calhoun's competitive performances that he still holds world records in the 50, 60, 70 and 120-yard high hurdles, the last in 13.2. He was a gold medal winner in the 120-yard event in both the 1956 and 1960 Olympic games.

During his career, Calhoun annexed seven national championships and innumerable international titles. He was elected to the Helms Sports Hall of Fame.

1971 Pan-Africa-USA Track Meet Officials

HONORARY MEET DIRECTORS

GENERAL TELEPHONE

*General Telephone
Welcomes the Pan-African
Participants to Durham*

**The inside story
of Duke Power and
the environment.**

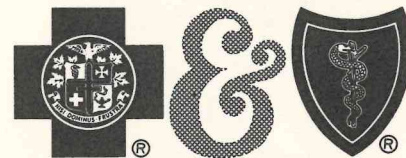

If you're concerned about the environment, you'll be glad to know we are, too. And to tell you what we're doing about it, we've prepared a colorful booklet on the subject. Ask your local Duke Power office for a copy.

**NCBCBS salutes the
PAN AFRICA-
USA INT'L
TRACK MEET**

North Carolina Blue Cross and Blue Shield joins Duke University and North Carolina Central University in welcoming the African and American track and field stars to the City of Durham. We are proud to have this outstanding international athletic event held here in North Carolina.

How to use this scorecard:

Insert the team score for the event in the upper corner of the box

	U.S.A.	Pan Africa
600m	(6)	(5)

and the cumulative point total for the meet up to that point in the lower corner

	U.S.A.	Pan Africa
600m	6 (44)	5 (44)
