3	BAY AREA STRIDERS	3:18.6
4	S.C. STRIDERS	3:20.8

Our starting lineup

With Datsun's in-depth lineup, there's a star for everyone. Need a wagon with five doors, six feet of flat load space when you fold down the rear seat, and safety front disc brakes? Better take a look at our 510.

Or maybe you need a four-door sedan? Then take a look at our 510 Sedan. It's loaded with features, like over-head cam engine, independent rear suspension, whitewalls, tinted glass and safety front disc brakes—standard equipment.

Our 1200 Sedan (our least expensive) delivers up to 30 miles to the gallon. Whitewalls and safety front disc brakes come standard. We also make a fastback, a hard working pickup truck and the 240-Z Sports Coupe.

See all these all-stars at your Datsun dealer. With our winning team, you've got to come out ahead.

Drive a Datsun... then decide.
