

# Central's Reilly 2nd In Sectional

Before Saturday's Class AA sectional at Princeton, coach Dike Stirrett of Champaign Central told Frank Reilly to run for the top three.

"He ran the race as if to say 'The heck with the top three,'" Stirrett said. "That's the way he approached it, and that's good."

And that's how Reilly finished second to DeKalb junior Tom Wuchte, who was eighth in the state cross-country meet last year.

Reilly was Central's only qualifier for next Saturday's state meet at Peoria. Central was eighth with 163 points, only 11 behind the two teams that tied for fifth, East Moline and Mid-State Nine champion Peoria Central. Big 12 champ Danville was ninth and Rantoul 11th out of 15 teams.

The top five teams and top five individuals who are not

members of qualifying teams advance to the state meet in Classes A and AA.

"After the race, my immediate impression was that we made it," Stirrett said. "A lot of teams were having what you would call fifth-man problems."

Central made it to state in 1975 and 1976.

Moline, rated No. 9 in the state, beat No. 7 DeKalb 14-127 for the team title.

Wuchte, who has lost only once this season, clocked 14:43 over the hilly 2.9-mile course. Reilly clocked 14:46.

Danville junior Mark Chase, who upset Reilly in the Bloomington District, finished 15th in 15:14.
