## 12TH ANNUAL SPARTAN CLASSIC

The 1983 Spartan Classic race should be very exciting. Twenty-eight teams will be vying for the top spot. New teams in this year's race are Argenta-Oreana and Bloomington Central Catholic. Villa Grove has returned after sitting out last year's race. Niantic-Harristown did not return this year and St. Teresa has only one runner in today's race. University High of Urbana coached by Mike McCallum, is undefeated so far this year and appears to be the team to beat. They have won at Chrisman, Paxton and Bismarck-Henning so far and could add the Spartan Classic to the list if their pack can stay close to the front.

The real race appears to be for second place. At least five teams are ready to challenge. Included in the list are last year's champion Shelbyville, Chrisman, Hoopston-East Lynn, Mahomet-Seymour, St. Anne and the host Spartans. Other teams that could reach the top ten are Neoga, Cumberland, Westville and Warrensburg-Latham.

With the graduation of two-year champion Kirt Davis, the individual title will be wide open this year. The top returning runner from last year is junior Jerry Giberson of Warrensburg-Latham. Junior Brian Oakley of Cumberland should challenge Giberson for the top spot this year. Seniors heading the list of challengers are Jim Maton of Shelbyville, Rich Bland of Chrisman, Chris Perry of Mahomet-Seymour, Mark Anthony of St. Anne if healthy, and St. Joseph-Ogden's Bill Simpson. One sophomore close to the front should be Shelbyville's Mike Shaffer, last year's first freshman. No matter what the outcome this year's race should be as exciting as any from beginning to end. Good Luck to all runners, their teams and coaches.
