Support a Marching Bulldog

The Music Boosters are planning a garage sale June 11 to raise money for the Marching Bulldog's trip to the fiesta Bowl in December. Organizers will collect items for the sale June 2 through 8. Larry and Eileen Waters, 707 Western Hills, will accept items from those who cannot hang on to things until the second. Call the Waters, 586-3707, or Joyce and Dick Livesay, 586-2891, to make arrangements for delivery or pick up. Amy Solie, left, Heidi Waters, Hans Waters and Stewart Williams load up for a run to the storage barn.

Cross-country outlook good

M-S cross country coach John King can count 16 boys and seven girls who lettered last fall. Only noteworthy losses by graduation were Jamie Fancher and Clay Masters of the boys squad and Laura Batsie of the girls group.

King has the makings of a

standout '88 boys team with Brian Easter, Dan Nielsen, Jay Busey, Jeff Jankowski and Hans Waters among his holdovers. He expects the girls to do well too; they'll be competing in Class A, the small-school category, this year. Cross country has been a single-class sport previously.

M-S runners eye repeat at Chrisman

"Our boys team could be stronger than last year's, which placed 10th in the state in Class A," said Mahomet-Seymour's prep cross country coach John King. "Our girls team should be fairly strong, too."

Both teams certainly figure to be prime contenders for top honors in Chrisman's annual Invitational, slated to draw a score of teams to the competition beginning at 9 am Saturday.

King's boy Bulldogs, in fact, are favored to win; they've lost only two runners from the lineup which ran away with the title last year. They registered the remarkable score of 17 in

'87. Chrisman was runnerup with 36.

King's girls settled for fifth at Chrisman last September, outpointed by Urbana Uni High, Unity, Chrisman and Robinson, in that order.

M-S boys who scored impressively last year were Jeff Jankowski and Dave Seifert, now seniors; Brian Easter and Hans Waters, now juniors; and Danny Nielsen, Jason Lasater and Burt Huddleston, now sophomores.

Laura Batsie, now a senior, was most noteworthy of Mahomet-Seymour's girls contingent in '87; she ran second at Chrisman with a two-mile time

of 13:05. Senior Jacqui Harland, juniors Barbara King and Sarah Brucker, and sophomore Mindy Carpenter also are back. Junior Tara Treat is a transfer from St. Joseph-Ogden.

King and his teams were approaching the Chrisman meet as though it were the first of the season. But a phone call received Monday changed all that; Champaign Centennial, Bloomington and Decatur Eisenhower reminded King that they would be in Mahomet for a meet Tuesday.

"I don't know exactly what threw us off our schedule," said King, "but we had to hustle to get ready to host the meet."

Bulldogs run third, fourth at Chrisman

by E. W. Hesse

Chrisman's Cardinals claimed both boys and girls titles in their annual Prep Invitational Cross Country Meet last Saturday, but Mahomet-Seymour recorded worthy runnerup finishes—a strong third among 28 boys teams and fourth among eight girls squads.

Chrisman's boys won with a score of 16. Shelbyville was second with 19, Mahomet-Seymour (champion last year with 17) was third with 21.

Chrisman's girls were first with a count of 53. Unity was second with 60, Urbana Uni High third with 73 and Mahomet-Seymour fourth with 110.

M-S boys finished as follows in slot competition: (1) Danny Nielsen second in 15:25 (3-mile course); (2) Hans Waters fourth in 16:35; (3) Jay Busey fourth in 16:42; (4) Jeff Jankowski second in 16:30; (5) Brian Easter third in 16:54; (6) Burt Huddleston second in 16:47; (7) Derek Short

fourth in 17:11. Jason Lasater won the Open Boys class in 17:14.

M-S girls, vying in a two-mile Open Run, were paced by Laura Batsie, who placed sixth with a time of 12:49 (last year she ran second in 13:05). Her teammates followed in this order: Jacqui Harland 21st in 13:45; Barbara King 25th in 14:18; Tara Treat 35th in 14:48; Jill Yost 42nd in 15:40; Mindy Carpenter 63rd in 17:25; Sarah Brucker 70th in 18:17.

Coach King's Bulldogs had opened their 1988 schedule August 30 with the boys running second to Bloomington, 67 to 21, and the girls finishing

fourth to Decatur Eisenhower, Bloomington, and Champaign Centennial, 84 to 31, 53 and 80 respectively, in a quadrangular.

Nielsen was third over the 3.1-mile M-S course in 17:27, and Waters was ninth in 18:13 for the boys. Batsie was second over the 2.1-mile course in 13:26 for the girls.

Mahomet-Seymour will host Olympia and Bloomington Central Catholic Thursday afternoon, then bid in Paxton's annual Invitational Saturday, starting at 9 am. Last year the boy Bulldogs placed sixth among 23 entires, while the girls ran fourth in a nine-school field.

M-S runners third, fourth at Paxton

Mahomet-Seymour's prep boys and girls cross country runners placed third and fourth respectively in Paxton's Invitational last Saturday.

The Bulldog boys, with a score of 103, ran third to Chrisman, first with 45 and Kankakee Bishop McNamara, third with 70.

Individually, Danny Nielsen placed third in the 3-mile boys race with a time of 16:09, and Laura Batsie was fourth in the 2-mile girls race with a time of 12:27.

Last Thursday, Mahomet-Seymour defeated Uni High and

Olympia, 26 to 52 to 54 in the boys run, while the girls ran third to Uni and Olympia, 51 to 29 to 41 respectively.

Nielsen showed the way over the Lake of the Woods' 3.1-mile course with a clocking of 17:31. Jeff Jankowski was fourth in 18:23, Jay Busey sixth in 18:44, Hans Waters seventh in 18:46, Burt Huddleston eighth in 18:52 and Brian Easter 10th in 19:00.

Batsie was second over 1.9 miles in 12:40, and Jacqui Harland ninth in 13:58.

Next action will be in the Tuscola Classic, starting at 10 am Saturday.

Mount Pulaski on volleyball roll

That Mount Pulaski High School has started the volleyball season with eight straight wins is no shock to Coach Donna Dulle.

"The last three years it's gone that way," she said.

Dulle will be surprised, though, if good things don't continue to happen.

"This is a different kind of season. We're real intense and want it real bad," she said. "We've worked harder in practice than we ever have in the past."

The past has not been so bad for the Toppers, ranked seventh in the first Associated Press Class A poll released yesterday. They've gone to the super-sectional twice and were beaten in the sectional championship last year.

Leading the way is junior Tina Rogers. The strong 6-foot-2 middle hitter is joined in the front row by Stacy Letterle, who is Mount Pulaski's only senior.

Junior Denise Donnelly and sophomore Jennifer Murphy are the setters. Laurie Letterle, Stacy's sophomore sister, is one starter at outside hitter. The other starter has come from junior Sara Schroth, and sophomores Kelly Davis and Tara Fisher.

Mount Pulaski finds out how good it really is at the Manteno Tournament Saturday. The host team and Hume Shiloh will provide some stiff competition.

Is finally reaching the state tournament a realistic goal?

"Oh, yeah," said Dulle.

Mahomet-Seymour off and running

After a summer of nice and easy training, Mahomet-Seymour's cross country team looks as if it is rounding into shape.

The Bulldogs took first place in last Saturday's Tuscola Classic, edging Shelbyville by two points. Mahomet-Seymour finished third the previous two weeks in meets at Chrisman and Paxton.

Coach John King, whose team placed a disappointing 10th in last year's Class A State Meet, does not believe in strenuous summer training.

"They made it more fun instead of working real

THE PANTAGRAPH, Thursday, Sept. 22, 1988

hard," he said. "I don't believe in pushing them (in the summer) unless they want to. (Dan) Nielsen ran as much as anyone, but he did not kill himself."

Nielsen, a sophomore, led the Bulldog pack with a third-place finish at Tuscola. Mahomet-Seymour's top five runners — including senior Jay Busey, juniors Brian Easter and Hans Waters, and sophomore Burt Huddleston — were in the top 17.

The other two runners in the Bulldogs' top seven are senior Jeff Jankowski and sophomore Jason Lasater.

King expects Mahomet-Seymour to better its state finish of a year ago. The Bulldogs will know where they stand when they travel to the Amboy Invitational on Oct. 10 to compete with most of the state's best teams.

Runners repeat 3rd, 4th places

by E. W. Hesse

While Chrisman doubled its dominance of St. Joseph-Ogden's Spartan Classic, Mahomet-Seymour marked time in its bid for honors in the prestigious cross country meet last Saturday.

Chrisman, now rated tops in both boys and girls Class A competition in the state, finished first in both categories at St. Joseph. The girls were repeat champions.

For the second year in a row, Mahomet-Seymour's boys ran third (136 points to Chrisman's winning 36) and its girls ran fourth (110 to Chrisman's 28).

Individually, Bulldog Danny Nielsen placed fourth with a time of 15:36 for the 3-mile course, and teammate Brian Easter finished 19th in 16:06. Laura Batsie placed 13th in the girls' 2-mile race with a time of 12:39. Barbara King was 20th in

12:49, and Jacqui Harland 24th in 13:00.

Earlier in the week, the M-S boys topped a five-team field and the M-S girls won a three-team competition at Decatur. Batsie won the girls' 2-miler in 12:55, King was second in 13:19, Tara Treat sixth in 14:07 and Jill Yost ninth in 15:51.

Class A state rankings last weekend showed Mahomet-Seymour's boys fourth with 68 points. Chrisman was first with 125, Kaneland second with 112 and Princeton third with 109. M-S girls rated 12th with 29 points. Chrisman was first with 105, Seneca second with 69, Unity third with 63 and Urbana Uni High fourth with 51.

Annual Bulldog Invitational coming up Saturday on Old Barn course

by E. W. Hesse

Mahomet-Seymour's 13th annual Invitational Cross Country Meet, expected to attract a score of entries, will be one of three big prep competitions attracting the Bulldogs during a six-day period starting today (Wednesday).

The Normal U-High Invitational is on tap today, starting at 4 pm. The Bulldog Invitational will be run off on

the Old Barn course Saturday morning. Amboy's prestigious Invitational is set for Monday morning (it's a school holiday).

The Bulldogs were runnersup in all three meets last year: second to Delavan at Normal, second to Chrisman in the local event and second, again to Delavan, at Amboy.

M-S coach John King's boys dominated a triangular meet with Argenta-Oreana and Prairie

Central at Lake of the Woods last Thursday, earning a score of 16 vs. runnerup A-O's 69. Danny Nielsen paced the Bulldog pack over the 5,000-meter course in 17:32. Seven of the next nine runners represented M-S: Jeff Jankowski in 18:06, Hans

Walters in 18:13, Burt Huddleston in 18:23, Brian Easter in 18:53, Jay Busey in 19:12, Jason Lasater in 19:13 and Derek Short in 19:15.

M-S girls also prevailed, although no team scores were kept. Laura Batsie completed the two-mile course in 12:49, followed by Jacqui Harland in 13:40 and Tara Treat in 14:08.

Back on September 27, Mahomet-Seymour's boys finished behind Pontiac and ahead of Olympia, while the girls wound up back of Olympia but in front of Pontiac in a triangular meet.

"We hope to place in the top five in our Invitational," says Coach King. "Chrisman, of course, is the favorite. Unity, Urbana Uni High, St. Joseph-Ogden and Olympia look like top-flight contenders."

New Mahomet area maps are now available at The Citizen. Maps are \$2.50 each.

Second and fourth at Normal . . . third and fourth at Mahomet . . . and seventh and 10th at Amboy . . .

That's a capsule summary of how Mahomet-Seymour's boys and girls cross-country teams respectively fared in the Big Three prep meets which annually provide an early October warmup for imminent regional and sectional tests.

The Amboy meet, run off Monday, was as prestigious as ever. Mahomet-Seymour's boys placed seventh in a field of 33 schools, while its girls ran 10th in a field of 19.

Princeton won the boys competition with a score of 108. Tremont was a close second with 113 despite running two of its sophomores in a junior varsity division. Sparta placed third with 135, Chrisman fourth with 164. Mahomet-Seymour rated seventh with 247.

Pacing the M-S Bulldogs' effort was, as usual, sophomore Danny Nielsen; he finished 17th with a time of 15:48 for the 3-mile course. Supporting him were Jeff Jankowski, 28th in 16:03; Burt Huddleston, 48th in 16:27; Brian Easter, 56th in 16:37; Hans Waters, 98th in 17:08.

Scoring for the Bulldog girls were Laura Batsie, eighth over the 2 1/2-mile course in 15:16; Jacqui Harland, 21st in 16:00; Barbara King, 43rd in 17:01; Jill Yost, 63rd in 17:26; Mindy Carpenter, 128th in 19:57.

Mahomet-Seymour's Invitational, staged last Saturday, was its 13th annual edition, and coach John King and staff again conducted it with model organization and efficiency.

Little Chrisman claimed both boys and girls team titles, the boys repeating their 1987 triumph. Chrisman's score of 52 was an easy first for the boys, Kankakee Bishop McNamara was second with 81, Mahomet-Seymour third with 125. Seventeen schools competed.

The Chrisman girls were tops with a score of 42. Unity was runnerup with 62, followed by Olympia with 109 and Mahomet-Seymour 153 in a field of 14.

M-S soph Nielsen placed second in the boys race, timed in 16:37. Jeremy Skinner of Shelbyville was the winner in 16:21. Other Mahomet-Seymour placers and times: Waters, 24th in 17:59; Jankowski, 28th in 18:08; Easter, 34th in 18:15; Huddleston, 39th in 18:19. One

hundred and 15 boys completed the event.

Ashley Wright of St. Joseph-Ogden finished first in the girls run, earning a time of 11:26 for the two miles. Batsie led the Mahomet-Seymour contingent, notching 17th place in 12:41. King was 22nd in 12:54, Harland 29th in 13:03; Tara Treat 47th in 13:44; Jill Yost, 49th in 13:47. Ninety-nine girls competed.

Chrisman also won the boys title in the Junior High meet which preceded Mahomet's varsity Invitational, scoring 58 vs. 73 for runnerup Columbia of Champaign. Chrisman's Junior High girls, moreover, placed second to Danville Northridge, 64 points to 47.

Mahomet-Seymour's Junior High boys finished fifth, while its girls placed third. Individually, Wagner of M-S ran third in a field of 82 boys, and Johnson of M-S was eighth among 71 girls.

The Bulldog preps have a date at Argenta, including Monticello, Thursday. Coach King, however, plans to rest his varsity to get them ready for the Corn Belt Conference meet at Pontiac, scheduled at 10 am Saturday.

Pontiac wins Corn Belt; Bass first in Big 12

Craig Black led Pontiac High School's boys cross country team to seventh straight Corn Belt Conference title yesterday at the Pontiac Elks Country Club Course.

Black covered the three-mile course in 16 minutes, 7 seconds. University High's Brian Nourie was second in 16:19.

Meanwhile, Normal Community's Tim Bass established a course record at the three-mile Illini Meadows Course in Urbana to lead the Ironmen to a second-place finish in the Big 12 Conference Meet.

Decatur MacArthur won with 53 points. NCHS had 63 points and Bloomington was a disappointing fourth with 87.

Corn Belt

Pontiac's title came at the expense of runnerup U High, this time by a 24:49 margin. Mahomet-Seymour placed third with 73 points.

Windy conditions kept times down. Pontiac's Britton Roth was third with teammate Marc Balota fourth. U High's Greg Robertson was sixth.

"We have quite a few young runners this year and I hoped the tradition would carry over," said Pontiac coach Keven Forney. "We haven't lost to any of the teams in the conference since 1978 and the kids are pretty proud of that record."

Only three teams fielded complete squads in the girls race, with Olympia repeating as team champion with 22 points. Olympia's Becky Anderson had a winning time of 14:41 over 2.23 miles and defending champion Laura Batsie of Mahomet-Seymour ran second.

Boys run 3rd, girls 2nd in Corn Belt Conference

by E. W. Hesse

The Corn Belt Conference cross country meet, often a barometer of how member teams will do in state competition, offered few if any surprises last Saturday.

Pontiac, the conference's double-A enrollment school, won the boys title for the seventh straight time, with Normal U-High running second and Mahomet-Seymour third. Olympia repeated as girls champion, with Mahomet-Seymour placing second.

Point totals of the boys leaders were: Pontiac 24, U-High 49, and Mahomet 73. Tops in the girls race were: Olympia 22 and Mahomet 41.

It was a windy day on the

Pontiac Elks Country Club course.

Craig Black of Pontiac won the boys race with a 3-mile time of 16:07. For Mahomet-Seymour, Danny Nielsen ran fifth, Burt Huddleston 13th, Brian Easter 14th, and Hans Waters 19th.

Becky Anderson of Olympia was first in the girls run, timed for 2.23 miles in 14:41. Mahomet-Seymour's Laura Batsie finished second, while teammates Barbara King, Jacqui Harland, Jill Yost, and Tara Treat placed sixth, seventh, 12th, and 14th respectively.

Last Thursday, M-S coach John King didn't run the boys varsity in a triangular at Argenta, still the team won with a score of 49, and no scores were

kept for the girls competition.

For the boys, Jason Lasater ran fourth in 17:19 and Derek Short sixth in 17:43. For the girls, Mindy Carpenter finished eighth in 16:00 and King ninth in 16:04.

Mahomet-Seymour will host a nine-school Class A boys regional meet this Friday. M-S girls, bidding in their new Class A competition, won't start until Saturday, October 29, in a sectional meet at Paxton.

Bulldogs win Mahomet boys' regional c-c crown

By The News-Gazette

Mahomet-Seymour, with four runners in the top 10, won the team title of the Mahomet-Seymour Class A boys' cross-country regional meet Friday afternoon at Mahomet.

The host Bulldogs, along with Paxton, Unity and St. Joseph-Ogden, all advance to the Paxton Sectional meet next Friday. Those four will join teams who qualified from the Chrisman, Herscher and Normal University High regionals.

M-S won the meet with 37 points. Paxton was second with 66, Unity third with 72 and St. Joseph-Ogden was fourth with 91. Urbana University High finished fifth with 95 and just missed qualifying. The top four teams advance to the sectional.

Dan Nielsen of Mahomet-Seymour was the individual winner as he ran the 3.1-mile course in 16:48. Teammates Hans Waters, Brian Easter and Burt Huddleston finished sixth, eighth and 10th, respectively.

Georges Lefavre of Unity was second in 17:16 and Brent Hadden of Paxton finished third in 17:35.

Both Paul Talbot and Ted Weinbaum of Unity High qualified as individuals for sectional competition as did Jamie McDonald of Tuscola, Clint Schaffer of Prairie Central and Paul Obermiller of Monticello.

Cozy Chrisman packs bags for state

By DAVID CAMPBELL
News-Gazette Sportswriter

PAXTON — Using what looked like cross-country's version of the "buddy system," the Chrisman boys coasted to the team title at the Paxton Class A Sectional on Friday afternoon.

Chrisman, ranked fourth in the state, beat out Normal University High, Mahomet-Seymour, Kankakee Bishop McNamara and Herscher, which finished second through fifth, respectively.

Those five teams qualified for the Illinois High School Association Class A Championships on Nov. 5 at Detweiler Park outside Peoria.

The top seven individuals not on state-qualifying teams also advanced, including Bob Love of Watseka who finished fourth overall in 15 minutes, 38 seconds for the 3-mile course; Jeff Trask of Oakwood, seventh in 15:43; Paul Talbot of Urbana University High, 15th in 16:10; and Travis Winkler of Bismarck-Henning, 17th at 16:18.

John Erickson of Eureka was the overall winner, crossing the line in 15:18. Other individuals advancing to state were Marty Wondaal of Illiana Christian (sixth, 15:41) and Pandy Rutsema of Illiana (ninth, 15:55).

Chrisman left no doubt that it would be the meet winner. Senior Andy Mills led the way, finishing in 15:59 for 11th overall and was followed by junior Brent Jenness (16:07, 12th), freshman Chad Beals (16:09, 13th), junior Brian Spicer (16:10, 14th) and junior Bill Harvey (16:14, 16th).

After accounting for individuals not on a team, Chrisman compiled a team score of 55. Senior Lee Waltz finished 41st in 16:45 and freshman Dusty Michaels was 49th in 16:55, but neither figured in the team scoring.

The team total made it easy for the Cardinals to outdistance Normal U-High, which ended up with 62.

"There weren't any surprises as far as our team was concerned," said Chrisman coach Roger Beals. "I expect them to run pretty good and they responded."

Beals' athletes said they didn't plan it, but they ran in pairs, sticking with each other to make sure there was no way one of the other teams could sneak away and pull an upset.

"We realized we're not going to do anything as individuals so we might as well do it as a team,"

said Jenness. "If you stay in a pack it's easier. There's no pressure on you."

"They all run their own type of race and they just end up there (together)," Coach Beals said. "Some of them start off fast and some start off slow and they just end up in the same place."

Mahomet-Seymour's advance was also expected. Sophomore Dan Nielsen ran a strong race, finishing third overall in 15:34. Juniors Brian Easter and Hans Waters placed 27th in 16:34 and 39th in

16:44. Sophomore Burt Huddleston was 42nd in 16:46 and Jeff Jankowski was 58th in 17:03 for a team score of 132.

But the day belonged to Chrisman, which now is setting its sights on taking state. Tre-mont and Princeton, ranked Nos. 1 and 2 in the state, beat Chrisman earlier this season at the Amboy Invitational. But Beals said he thinks his team can win it all next week.

"We're going to beat them," he said. "I just feel it."

M-S runners vie in sectionals

by E. W. Hesse

Mahomet-Seymour's prep cross country boys team won its regional run here last Friday . . . and will try for sectional honors at Paxton this Friday . . . while the Bulldog girls will start their state bidding in a sectional meet, also at Paxton, Saturday.

Coach John King's boys prevailed over a nine-school field at Mahomet, racking up a score of 37. Paxton was runnerup with 66, Unity third with 72, St. Joseph-Ogden fourth with 91 and Urbana Uni High fifth with 95.

Bulldog Danny Nielsen was the individual winner with a time of 16:48. Three teammates also made the first 10: Hans Waters, sixth in 17:46, Brian Easter, eighth in 18:03 and Burt Huddleston, 10th in 18:10. Jeff Jankowski didn't run because of an injury.

The Bulldogs had been ranked fifth in the state before the regional.

The boys sectional at Paxton will get under way at 4 pm Friday. Regional survivors from Chrisman, Herscher and Normal U-High will join the four top teams from Mahomet for a try to qualify for the state finals at Peoria Saturday, November 5.

The girls sectional at Paxton Saturday morning will be the first Class A girls competition conducted by the state. Until this year, there had been just a single class for girls. Mahomet-Seymour will be just one of 36 schools bidding at Paxton.

With no regional lead-ins last weekend, the M-S girls vied in an Invitational staged by Uni High last Saturday. Chrisman won with a score of 35, followed by Unity with 49, Uni with 56, Mahomet-Seymour with 91 and Olympia with 112.

Karen Morris of Chrisman won the 2-mile race in 12:34. Laura Batsie of Mahomet-Seymour placed fourth in 13:07.

Erickson motors in sectional cross country

By RANDY REINHARDT
Pantagraph staff

John Erickson "figured I'd be about third" in yesterday's Class A Paxton cross country sectional, but the Eureka High School senior didn't hold himself to that.

Erickson caught up to early leader John Eggenberger of Herscher about halfway through the 3-mile race, and left the field in his dust with a convincing victory in a season-best clocking of 15 minutes, 18.4 seconds, more than seven seconds better than second-place Eggenberger.

University High, led by fifth-place finisher Brian Nourie, came in second with 88 points, 33 behind team champion Chrisman's 55. Dan Nielsen's third-place finish sparked Mahomet-Seymour to third with 132 points, and Kankakee Bishop McNamara and Herscher also qualified for the Nov. 5 State Meet at Peoria.

When asked for his goal, Erickson quickly replied, "To win. If you're going to run, you gotta go for the win. But I figured I'd be about third. I knew he (Eggenberger) was good. He sort of slowed down and I kept my pace."

Erickson, running in just his fifth meet of the season, doesn't have to worry about carrying the Eureka team on his shoulders because his shoulders are the only ones on the team.

Eggenberger stormed out to an early lead, but Erickson soon was up on his shoulder.

Nourie

Nielsen

a realistic goal," said Nourie, a senior. "I wanted to stay with the pack. My times have been inconsistent, but I think I can keep improving."

Nielsen wouldn't go as far to say he could have beaten Erickson, but he did wish he would have stayed with the Eureka runner longer.

"I wished I would have moved up with Erickson. I had more left at the end than at other recent races," Nielsen said. "I'm happy how it turned out."

Chrisman, the fourth-ranked team in the state, ran effectively in a pack. Andy Mills led the champions in 11th, and the next four Cardinals came across within 17 seconds in 12th, 13th, 14th and 16th.

Paxton tied for sixth with Illiana Christian, Olympia was 12th and Clinton tied for 13th.

Olympia junior Paul Roberts was the first non-qualifier in 18th.

Chrisman leads area C-C state entries

By DAVID CAMPBELL
News-Gazette Sportswriter

The Chrisman girls' and boys' cross-country teams are ranked first and fourth in the state, respectively, but on Saturday both will have the same goal: a team championship at the Illinois High School Association meet.

The Chrisman girls will lead a trio of area Class A teams to Detweiller Park outside Peoria. All three teams advanced from the Paxton sectional last weekend. Unity placing second to Chrisman and Urbana University High third.

Chrisman, led by Karen and Kathy Morris, is the favorite for the team title.

As for the girls' Class A individuals, St. Joseph-Ogden sophomore Ashley Wright will be near the front. Wright, Paxton local runner Batsie at McKinnon, and Paxton runner Batsie at McKinnon are the favorites for the individual titles.

Most coaches elect to travel to Peoria on Friday night to avoid a long drive in the morning. But St-O coach Jerry Hewardine finds advantages in doing things the usual way.

"We usually leave real early in the morning for our regular meets anyway, so they're going to stay at home and then we'll drive there Saturday morning," Hewardine said. "We spend all season in a routine, and we're not breaking that routine now. If you stay in a hotel the night before, there is all that excitement and you get kids running around."

As for the Class AA girls, no local teams managed to advance to state, although a pair of sophomores did qualify as individuals. Amy Berg of Rantoul finished fifth and Deb Kutjeja of

tables might be turned on Saturday.

"Up at Amboy they had a lot of rest and we didn't rest too much before we went up there," Beals said. "It was 250 miles away and then our guys were awake until 1:30 in the morning and they kept me awake too. Then they were up at 6:30. We're going to beat Tremont and Princeton at state. I can just feel it."

"It will be more important for us to hang together than to have somebody finish in the top 21," added Chrisman junior Brent Jenness.

The Mahomet-Seymour boys finished third at the Paxton Sectional, and coach John King will send a squad of three sophomores and four juniors onto the 3-mile course to earn some valuable experience. Local runners competing as individuals include Travis Winkler of Oakwood, Paul Watska, and

M-S runners vie in State Saturday

by E. W. Hesse

Mahomet-Seymour's entire boys team and Laura Batsie of the girls team will bid for state honors in the windup of Illinois' prep cross country season at Detweiller Park in Peoria Saturday morning.

Coach John King's Bulldogs won their state berths with noteworthy performances in Class A sectional tests at Paxton last Friday and Saturday.

His boys ran third to winner Chrisman, which breezed in with a count of 55, and runnerup Normal U-High, scoring 88, with a tally of 132. Kankakee Bishop McNamara with 135 and Herscher with 152 also qualified for the state meet.

Batsie was the only member of King's girls squad who earned a state appearance. She ran 20th in

a 36-school field with a time of 12:45.88.

Mahomet's girls squad finished seventh, behind state qualifiers Chrisman, scoring 51; Unity, 89; Urbana Uni High, 94 and Chicago Luther North, 114. Herscher, with 164, and Stanford Olympia, 192, also preceded Mahomet-Seymour, posting 196.

Mahomet-Seymour sophomore Dan Nielsen placed third with a time of 15:25 in the boys sectional Friday. John Erickson of Eureka won the 3-mile event in 15:18. Nielsen's teammates, with places and times were: Brian Easter, 27th in 16:22; Hans Waters, 39th in 16:38; Burt Huddleston, 42nd in 16:40; Jeff Jankowski, 58th in 16:53; Jay Bussey, 16:53 and James Yost, 17:23.

Ashley Wright of St. Joseph-Ogden won the girls 2-mile event Saturday with a time of 11:49.11. Mahomet runners chasing Batsie were: Jacqui Harland, 13:08; Barbara King, 13:31; Tara Treat, 14:08; Jill Yost, 14:45; Mindy Carpenter, 16:33 and Sarah Brucker, 18:10.

M-S Bulldog boy runners 11th in state

by E. W. Hesse

Mahomet-Seymour placed 11th in the state's Class A high school boys cross country finals in cold, damp weather at Peoria's Detweiller Park last Saturday.

"I had been hoping we'd finish in the top 10," said coach John King, whose Bulldogs compiled a score of 273. "Actually, our showing came close to being a repeat of our performance of a year ago. We placed 10th with a score of 288 last year.

"The boys didn't run poorly, though most of their times were higher than the ones they had in the sectional meet at Paxton a week earlier. I guess you could blame the weather for that."

M-S sophomore Danny Nielsen, the Dawgs' season-long pace-setter, placed 22nd with a 3-mile time of 15:55. He had run third in 15:25 in the Paxton sectional.

Senior Laura Batsie, the only Mahomet-Seymour girl to qualify for the newly established class A (small school) state finals, wound up 28th with a time of 13:19 for the girls' 2.1-mile course. She had finished 20th with a time of 12:46 for Paxton's 2-mile sectional.

"Laura had reason to be pleased with her performance," said King.

Supporting Nielsen for Mahomet-Seymour in the boys division were: junior Brian Easter, 49th in 16:25; junior Hans Waters, 94th in 16:47; senior Jeff Jankowski, 96th in 16:48; soph Burt Huddleston, 120th in 17:06. Also-rans were senior Jay Busey, 125th in 17:09, and junior James Yost, 166th in 18:15. Freshman Derek Short attended as an alternate.

Disregarding non-team contestants, Nielsen placed 11th, Easter 32nd, Waters 68th, Jankowski 70th and Huddleston 92nd.

Little Chrisman, directed by famed basketball coach Roger Beals, was the sensation of the state finals. The Cardinals registered the unprecedented feat of winning both boys and girls state titles. Their Class A boys posted a score of 122, followed by Tremont with 139, and Maple Park Kaneland, last year's champion, with 140. Normal U-High was ninth with 240, Kankakee Bishop McNamara 10th with 266.

The top five among Class A girls were Chrisman with 74, Tolono Unity 103, Urbana Uni High 121, Chicago Luther North 146 and Winnebago 147. The first four had finished in the same order at Paxton's sectional.

Eric Detmer of Breese Mater Dei was the Class A boys winner with a time of 15:05. Chris Salisbury of Genoa-Kingston was the first girl across the line in 12:22.

"It was a pretty good year," summed up Coach King. "Next year? We have enough holdover talent to have pretty fair teams. Jankowski and Busey of the boys, and Batsie and Jacqui Harland of the girls are our only seniors.

"That means Nielsen, Easter, Waters, Huddleston, Yost and Short of the boys squad, and Barbara King, Tara Treat, Jill Yost, Mindy Carpenter and Sarah Brucker of the girls will be back."

Erickson, Tremont earn 2nds in state cross country meet

By RANDY SHARER
Pantagraph staff

PEORIA — At this time last year, Eureka High School's John Erickson was — athletically speaking — a nobody.

Yesterday he was somebody big in the Class A state cross country meet at Detweiller Park.

In his first year in the sport and just the sixth cross country race of his career, Erickson placed second to Eric Detmer of Breese Mater Dei.

The Tremont team, running with just one senior, lived up to its No. 2 state ranking by placing second behind Chrisman, 122-139. The Turks had the state's best sophomore in Chad Gingrich (fifth) and the best freshman in Brad Kaufmann (29th).

In Class AA, Normal Community's Tim Bass placed 14th. No Ironmen has ever finished higher. His time was equal to the Class A champion's 15 minutes, 5 seconds for the 3-mile course.

Class A

It was Detmer who kicked past Erickson for the state 3,200-meter track title last spring. Yesterday, he surged away after the mile mark. Erickson rallied, but finished 12 seconds back.

Detmer's 15:05 was the slowest winning time in the 13 years of Class A competition. A cold, wet wind was largely responsible.

"He just took off," said Erickson of Detmer once the lead pack of five entered the "triangle" portion of the course. "He's a

phenomenal runner. I haven't had the training and stuff he has. This race I ran how I should have."

Eureka track coach Ron Eeten agreed.

"Detmer is in better condition," Eeten said. "I think John realized that. Instead of trying to catch him, spending himself and then fading to 10th or something, he was smart enough to realize he should run for second."

Gingrich more than realized his goal of a top 10 finish. The sophomore ran 15:24 in fifth, the third non-senior to finish. Herscher junior John Eggenberger was third and Leland junior Phillip Swenson fourth.

"He finished higher than anyone from Tremont ever has," said Tremont coach Mike Lynn. "He ran a very controlled race. From a half mile to a mile and a half he moved up through the pack.

"That takes intelligence and discipline to do that. Most runners, if they can't see the leaders, they panic and get discouraged."

Gingrich guessed he passed 25 runners after a 5:00 first mile.

"I felt tired at two miles," said Gingrich, who is bullish on Tremont's chances next year. "We're gonna go all the way."

University High went all the way to a school record placing of ninth with 234 points. Leading the No. 6-ranked Pioneers was Brian Nourie, who earned all-state honors by placing in the top 25 with a 15:44 for 17th.

"I planned to run faster," said Nourie, who played football last year. "I'm happy just to make all-state."

U High coach Lester Hampton said, "I think we did a pretty good job. Five guys in the top 100 isn't too bad. We went a lot further than most people thought."

No. 8-ranked Mahomet-Seymour slipped to 11th with 266 points. Dan Nielsen was the top Bulldog in 22nd. His 15:55 made him the third sophomore finisher.

"I had planned to move in the second mile, but I kind of tightened up there," said Nielsen, who was 82nd last year.

Bass had the hearts of the NCHS faithful racing as fast as he was. The senior was second until the 2-mile mark. He was still in fourth before 10 runners passed him in the final 600 yards.

"I was hurting pretty bad," said Bass, who went out in 4:48 at the mile and 9:51 at 2 miles. "I can't be disappointed at making all-state. I gave it all I had."

Bass said he tried to overpower eventual winner Mario Vesey of

"triangle."

"Vesey sprinted when we turned a corner and I wasn't prepared for that," said Bass, whose team finished 20th in the 27-team field with 479 points.

"I thought he might be able to make the top five," said NCHS coach Tom Patten. "Tim has speed, but it took a lot to be there (in fourth with 600 to go)."

Team wise, Patten said, "We ran good races, but not great races."

PEORIA — Chrisman High School saw its girls' and boys' cross-country teams storm to Class A titles Saturday at the state high school meet at Detweiller Park.

The Cardinals' girls' team led a 1-2-3-4 sweep by teams that competed at the Paxton Sectional last weekend. Chrisman had 74 points and Unity was second at 103. Urbana University High was a surprising third with 121 and Chicago Luther North fourth with 146.

As for the boys, Chrisman scored 122 points to finish first.

"It really hasn't sunk in yet," Chrisman coach Roger Beals said. "This whole thing is just unreal. We thought during the season we could do it, but then reality sets in and you say, 'No, it's not possible.'"

For the Chrisman girls, Karen Morris finished third with a time of 12:34 over the 2.1-mile and sister Kathy Morris was 11th in 12:53. Amy Malise was 42nd in 13:37, followed by teammates Tracie Butler, 43rd in 13:38; Michelle Kindred, 49th in 13:42; Courtney Porter, 60th in 12:58, and Tania Schackmann, 91st in 14:45.

For Unity, Sonja O'Neill was fifth with a time of 12:42 followed by teammate Karen Wamsley who was 17th in 13:01. Teresa Clavin was 26th in 13:17 and Kim Cox was 58th in 13:55. Jamey Meneley was 72nd in 14:16; Delina Kolakowski, 73rd in 14:18, and Charity Kolakowski, 77th in 14:26.

"We were hoping all season to stay second to Chrisman," Unity coach Sandy Meneley said. "Chrisman is the only team to beat us all season."

Unity did beat Chrisman once this season, but only after the sixth runners' times were used to break a tie.

MENELEY SAID that sophomore Kim Cox really shined and helped the team out by finishing as the team's fourth best runner.

For Uni, Tysan Huang was the best finisher in 23rd place with a time of 13:09. Other Uni results included Tamar Shapiro, 35th in 13:26; Alexandra Newman, 38th in 13:31; Ellen Wheeler, 59th in 13:56; Amy Parker 64th in 14:04; Judy Clifton, 98th in 15:18, and Eman Jassin, 108th at 16:24.

Uni coach Bonnie Byers-Neaville said she and her team had no idea they had taken third place until the awards ceremony two hours after the meet had

"We walked into the gymnasium and they announced over the speaker that they wanted Coach Neaville from Uni High to come to the awards table," Byers-Neaville said.

"**I WENT OVER THERE** and the official said 'Congratulations.' I asked him what place we finished, and when he said third, I just started bawling."

Genoa-Kingston's Chris Salsbery won the race in 12:22.

Local girls competing as individuals in the Class A meet were led by Ashley Wright of St. Joseph-Ogden, who was 10th overall in 12:48. Laura Batsie of Mahomet-Seymour was 28th in 13:20 and SJ-O's Marla McKinney was 51st in 13:43.

In Class AA, Erin Boland of McHenry won in 11:42 and Hoffman Estates Conant took the team title.

The Chrisman boys finished first with a score of 122, and were followed by Tremont, 139 and Maple Park Kaneland with 140.

Andy Mills was Chrisman's best finisher, placing 27th in 16:01. Other Cardinals included Chad Beals, 41st in 16:15; Lee Waltz, 43rd in 16:16; Brian Spicer, 47th in 16:22; Bill Harvey, 50th in 16:26, and Dusty Michaels, 99th in 16:54.

Mahomet-Seymour took 11th as a team. Dan Nielsen was the top finisher for the Bulldogs, placing 22nd in 15:55.

Eric Detmer of Breese Mater Dei won the Class A individual title in 15:05.

Bob Love of Watseka led the local Class A boys competing as individuals, finishing 18th in 15:44. Jeff Trask of Oakwood took 23rd in 15:56 and Travis Winkler of Bismarck-Henning took 51st in 16:28. Paul Talbot of Uni High was 58th in 16:32.

In boys' Class AA action, Schaumburg took the AA team title, with 70 points.

Champaign Central finished 24th, paced by Shad Shepston in 40th in 15:28. He was followed by teammates Pat Stines, 153rd in 16:52; Scott Elrick, 157th in 16:56; Aaron Libman, 162nd in 16:59; Matt Meyer, 191st in 17:21; Matt Wise, 219th in 17:40, and Dave Shaul, 228th in 18:02.

"We didn't finish as high as we would have liked," said Central coach Dike Stirrett. "But we ran into a tough field. That's what you expect at the state meet."

Mario Vesey of Rock Island led the field by 13 seconds to win the
