WELCOME TO THE SPARTAN CLASSIC!

On behalf of St. Joseph-Ogden High School and the Cross Country team we welcome all runners, coaches, officials, helpers, fans, and parents.

All runners will start at the four-way stop at the corner of Main Street and Route 150, and will finish in front of the bleachers on the football field (SEE MAP INCLUDED). Note that the girls' race will not be run over the second town loop.

We hope everyone will enjoy the meet and we welcome you to join in the awards presentation in the large gym after the race.

1998 SPARTAN CLASSIC RACE PREVIEW

Once again, the 1998 Spartan Classic promises to be an exciting event featuring outstanding competition in both the girls' and the boys' races. Several All-Staters as well as a handful of perennial state powerhouse teams return for this year's competition.

For the girls, look for St. Joseph-Ogden, Mahomet-Seymour, Sullivan, Decatur St. Teresa, and Tolono-Unity to be in the hunt for the team title. Defending Classic champion St. Joseph-Ogden returns with another outstanding team, while Mahomet-Seymour and Sullivan had strong showings at the Tuscola Invitational last week. Unity won the Bismarck-Henning Invite last week and state ranked (#9) SJO remains unbeaten against class A competition. The order of finish for the top 5 spots should be SJO, Unity, Mahomet, Sullivan, and St. Teresa.

Individuals vying for a top 5 spot will include Keri McCarthy of Decatur St. Teresa, Maureen Scott of Mahomet-Seymour, April Selby of Shelbyville, Hannah Meharry of Tolono-Unity, and Jill Kary and defending champion Amy Roberts of SJO. The girls' race should be a close one, but look for previously unbeaten Meharry to win the race in what should prove to be an exciting finish.

In the boys' race, look for St. Joseph-Ogden to do well in the team competition. Currently ranked #1 in the state and unbeaten against class A competition, SJO is definitely the team to beat at this year's classic. Shelbyville, currently ranked #3 in the state, will provide a strong challenge and has the runners up front necessary to keep the meet close. Mahomet-Seymour, Breese Central, Oakwood, and Tuscola should all contend for a top five spot, but the rest of the field appears to be very even; 6th through 10th place are difficult picks at this point.

Robert Hanners of Tuscola may well be the favorite in the boys' individual race this year. Robert is the top returning individual from last year's state meet and has established himself as one of the best runners in the area. However, John Shaffer of Hoopeston Area, as well as Josh Mock of Mahomet and Jeff Helfrich of Urbana U-High should all push Hanners. Other runners that should contend for the title include Jerod Galvin and Matt Miller of Shelbyville, Matt Hale of St. Joseph-Ogden, and Nathan Huegen of Breese Central. In the end, however, look for Hanners to win in what could be a close race.

Re: Future Textbook Purchases

Following a discussion with the Curriculum Committee last fall, it was decided that in order to establish a fair and consistent system of purchasing new textbooks, a rotation schedule should be established. The schedule is listed below. I have formulated this list based on the information I have from the inventory data base. This schedule will allow you to plan for the future. The only catch, as always, is funding but it is my hope to eventually make up for the lack of funding prior to the spring of 1998. See me if you have any questions.
