In Memoriam

This year's program is dedicated to the memory of Charlene Bremberg, who passed away on August 20 at the age of 61.

Miss Bremberg served on the IHSA administrative staff for 15 years until her retirement in 1992. During her years in the IHSA Office she was the administrator in charge of girls basketball, boys and girls cross country, boys and girls tennis, girls bowling, girls badminton, girls softball, scholastic bowl and speech individual events.

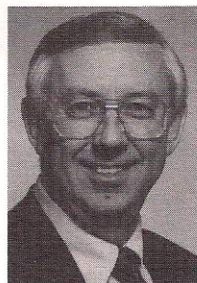

In 1981, she became the first IHSA administrator to chair a combined sport advisory committee when cross country was placed under a single administrator. Under her leadership, the girls cross country program blossomed into a two-class system identical to the boys program. The four-race combined state final meet is now one of America's premiere high school sporting events.

A native of Elmhurst and a graduate of York High School, Miss Bremberg taught and coached in the Chicago suburbs and at Normal University High before joining the IHSA in 1977. She was active in the Illinois Association for Health, Physical Education and Recreation (IAHPER), chaired the Illinois Division of Girls' and Women's Sports, and was a member of the special committee which formulated recommendations which led to the development of the girls' interscholastic athletic program in IHSA member schools.

Char will be deeply missed by her many friends in the interscholastic community.

"The first year I won, I wasn't sure who was in the lead at the finish, so I asked the official and she said 'Look at your card' and it said 'ONE.' I couldn't believe it, my coaches couldn't believe it, my parents couldn't believe it ... it was just a very good time."

IHSA Sports Report

Listen Up Sports Fans! Because . . .

The unique sound and personality to the IHSA Sports Report continues with Lanny Slevin at the microphone for the second year. The IHSA Sports Report is the first radio show in the country sponsored by a state high school association.

Slevin is a veteran of 26 years of broadcasting high school and college sports in Illinois. Born in Washington, D.C., he grew up in Peoria and attended St. Ambrose in Davenport. His career in Illinois radio began in 1970 at WPRC in Lincoln. He joined the staff at WLPO in LaSalle in 1973 and is its sports director. He has broadcast every IHSA Boys Basketball State Final Tournament since 1972.

Now in its 9th season, IHSA Sports Report with Lanny Slevin continues in its popular three-times-weekly format during the 1998-99 school year. IHSA Sports Report with Lanny Slevin is being carried by nearly 85 radio stations throughout Illinois and surrounding states this school year.

Slevin produces each of the five-and-one-half minute shows. Each show covers a different set of subjects. All are produced new every week. The syndicated series is aired by network stations from the start of fall practice until the week following the annual boys baseball and girls softball tournaments in June. Content of each show will vary during the school year, but the format provides interviews with coaches and students who achieve success in the state's interscholastic activities, features on people involved in interscholastic activities other than the players and coaches, discussions of current events

Nominations for more than 500 seniors were received. The All-State Academic Team includes one male and one female senior student from each of the seven (7) IHSA Board of Directors statewide geographic divisions, plus 11 at-large selections. Another 50 students earned honorable mention.

"We are extremely proud of the accomplishments of the young people named to our fifth All-State Academic Team," said IHSA Executive Director Dave Fry. "They enhance the legacy established by the first four teams. We were delighted to showcase these great young people at the banquet. Those who attended it this year were treated to an absolutely wonderful evening. We look forward to another great event next year."

SPORTSMANSHIP

TOGETHER WE CAN

HARLEM HIGH SCHOOL

Machesney Park, IL

Sportsmanship starts on the court or athletic field and extends into the bleachers and beyond. In today's increasingly competitive environment, the thrill of victory and the agony of defeat seem to be more intensified than ever before. Now, a new program intends to raise the public awareness of the importance of sportsmanship in interscholastic activities.

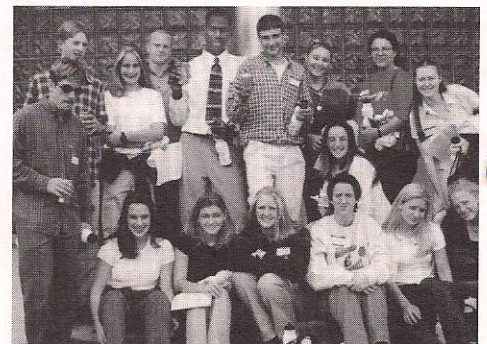

It's everyone's responsibility to practice good sportsmanship. Recognizing the efforts by students, coaches, administrators, spirit groups and fans who regard sportsmanship as a valuable part of the interscholastic experience is what the Sport A Winning Attitude! Banner Program is all about.

The Sport A Winning Attitude! Banner Program sponsored by the Illinois High School Association, creates opportunities for member schools to implement a year-round sportsmanship program in their communities. Every member school of the IHSA is eligible to participate.

To participate in the program, member schools must adopt a sportsmanship plan that meets the program criteria and submit it to the IHSA. Upon receipt of this information, the IHSA will award a 4-foot by 6-foot sportsmanship banner to each participating school. Each year that a school participates in the Sport A Winning Attitude! Banner Program it will receive a validation to indicate the year that this distinction has been achieved. Schools that receive a SAWA banner automatically qualify for the Sport A Winning Attitude! honor roll which will be published annually in the IHSA News.

Foundation Benefits From Sale of Add A. Tude™ Bar

Kathryn Beich, Inc., a Bloomington-based candy company, has created the Add A. Tude™ candy bar exclusively for sale through IHSA and IESA schools. The Add A. Tude™ candy bar is the popular Nestlé Krunch bar. Proceeds from the sale of the Add A. Tude™ candy bar will be used by both associations to help underwrite the Sport A Winning Attitude (SAWA) Program and Illinois High School Activities Foundation (IHSAF). The IHSAF is a non-profit corporation dedicated to recognizing academic and interscholastic achievements by high school students in Illinois, including scholarships awarded to the All-State Academic Team and other awards.

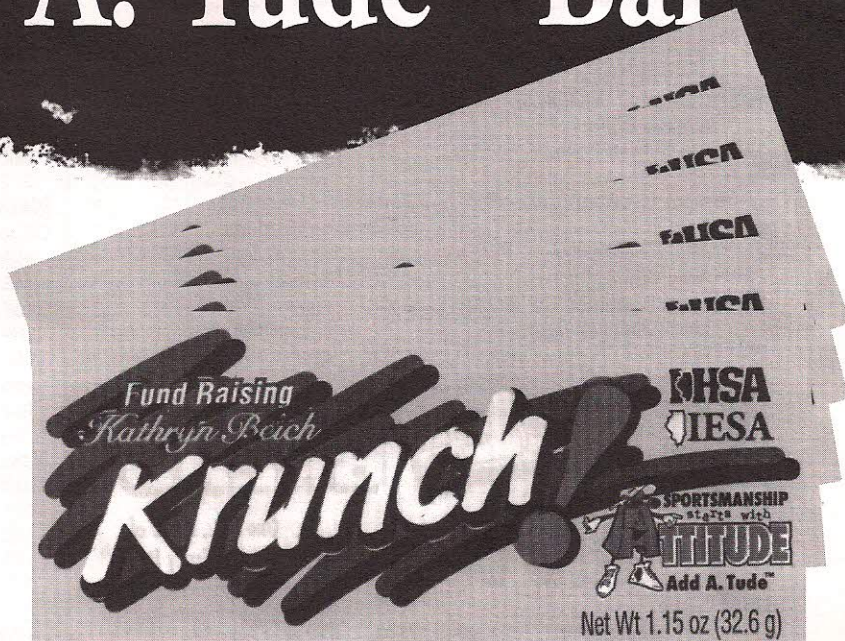

What Is The IHSAF

The Illinois High School Activities Foundation (IHSAF) is a non-profit corporation dedicated to recognizing academic and interscholastic achievements by high school students in Illinois. The Foundation is currently in the process of soliciting private and corporate contributions to help carry out the mission of the corporation.

How Does It Work

The Illinois High School Activities Foundation was established to help promote, encourage, and recognize academic and interscholastic achievements by the young people who participate in the interscholastic programs sponsored by IHSA. With the support of a variety of corporations, organizations, and individuals the Foundation provides financial support for the IHSA scholarship recognition programs.

All contributions to the Illinois High School Activities Foundation are tax-deductible. Our FEIN number is 37-1322645.

REASONS TO SPORT A WINNING ATTITUDE!

- 10** Taunting, trash talk and intimidating behavior have no place in high school sports—or any level of sports.
- 9** Your admission is to watch the performances of highly impressionable 15 to 18-year old kids—not a license to abuse coaches, officials, players and other spectators.
- 8** You want others to treat you the way you want to be treated—and how many of us want to be treated with disrespect?
- 7** We need more positive role models for our kids.
- 6** People don't always remember the final score—but they always remember the fan in Section Three who made a fool out of him or herself.
- 5** Coaches and officials are also teachers. Why would you harass them in their classroom?
- 4** A national survey indicates kids play high school sports to have fun—not to be number one!
- 3** It's how you play the game that counts.
- 2** It's simply the right thing to do.
