EVENT SECURITY POLICY

To help insure the safest and most secure atmosphere for this IHSA State Final, event management will diligently maintain established security procedures and activities. This will require complete cooperation by all competing teams, contest officials and fans. Security will always have priority over convenience; therefore, if you are requested to cooperate with event personnel in any manner, please do so promptly. Your assistance will enable our staff to fulfill its responsibilities efficiently.

ALCOHOL AND ILLEGAL SUBSTANCES PROHIBITED

The possession, distribution, sale, possession and or consumption of alcoholic beverages and illegal substances is prohibited on the property of any IHSA state series contest facility. State series hosts are required to make all state series contest sites, including parking lots, fan accommodation areas, and other school or event venue property, alcohol and illegal substance free zones on the date or dates of any IHSA event being held at the site. Event personnel will enforce this policy rigorously.

PERSONS AND POSSESSIONS SUBJECT TO SEARCH

Please note that all persons and their possessions are subject to search upon entering an IHSA State event venue. Items prohibited under this policy or any item deemed by the IHSA or event staff to be dangerous or harmful to persons or property will be confiscated. Patrons of any IHSA state series contest who do not cooperate with event staff in their enforcement of this policy will be removed from the premises, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

Award Winner Staging Area: The award winners should assemble behind the Peoria Park District Stage no later than 10 minutes prior to the start of their respective Awards Ceremony.

Official Photos: Visual Image Photography (VIP) is the exclusive official photographer for all Illinois High School Association (IHSA) State Final events. Action, feature and/or individual award photographs taken by VIP may be ordered after the Awards Ceremony at Detweiller Park or at any other time via the Internet. Fans may stop by the VIP booth in Detweiller Park before they return home today and place their order. The VIP booth is located on the west side of the course near the Concession Tent and the PACVB booth. Fans also may order from the VIP Web Site @ www.vipis.com

Fan Photos: Spectators will have access to a photo area in front of the stage during and after the respective individual and team awards presentations. The Public Address Announcer will advise fans when they may take photos and when the time for photos has elapsed. A total of approximately four (4) minutes will be set aside for fan photography. It is strongly recommended that fans use the VIP service.

Award Winner Instructions

- 1) **Individual Place Winners and Placing Team members report to the back of the Peoria Park District Stage located in the open space west of the course by the shelter 10 minutes prior to the scheduled start of their respective Awards Ceremony. Individuals receiving medallions will be placed in reverse order of finish from 25th to 1st. The Coaches and members of the top 3 placing teams will be placed by team according to the order provided by the school on their Team Award Information Form that they submit online at www.ihsa.org prior to the state final meet. The medallions and trophy will be presented to the schools in reverse order of finish (3-2-1).**

- 2) Award winners must assemble at the correct time, and, once all have checked in, final instructions will be given.
- 3) Each medallion winner will be introduced and enter the stage from the designated side. Proceed to the middle of the stage to the awards presenter, have the medallion draped over the recipient's head, and walk off the stage to the appropriate designated area. The order will be 25th place girl, 25th place boy, 24th place girl, 24th place boy, etc. for the individuals. The team order will be 3rd place girls team, 3rd place boys team, 2nd place girls team, 2nd place boys team, 1st place girls team and 1st place boys team.
- 4) **After each individual and team member receives their medallion, they exit the award stage to the appropriate designated area. At this time, fans will be allowed to take photographs for approximately 4 minutes.**
- 5) Official photographers from Visual Image Photography (VIP) will take the official photo of each person (individual finisher and/or team member) receiving an award. It will be taken as an individual portrait with the state medallion draped on the person after they received the medallion. In addition, a group photograph (top 25 individuals as a group or each of the top three teams as a team) will be taken after the medallions have been presented. These photographs will be taken behind the stage (or in the shelter in the case of inclement weather) after the medallion(s) has been presented on the stage, and the 4-minute fan photo session. VIP photographers may take additional photos during the actual presentation ceremony.
- 6) Following the session with the VIP photographers, the Public Address Announcer will notify the award winners required to participate in the press conference when they are to report to the shelter. The shelter approximately 20 yards northwest of the stage. The top 3 Individuals, plus the head coach and all members of the top 3 placing teams, in each of the four races, will leave the stage area after the 4-minute fan photo session and report as a group for the required press conference. This is in addition to any interview sessions with the media by individual runners and coaches at Detweiller Park earlier in the day.

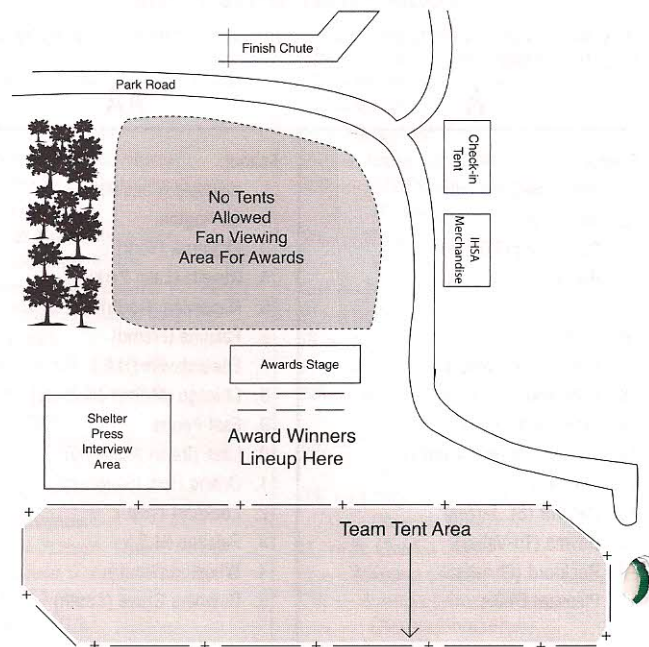

Awards Area Rules and Regulations

No Tent Zone – The area in front of the stage is for fans to watch the awards ceremony. No tents are to be set up in this area. School tents may be set up on the west side of the park road adjacent to the course, or in the tent area behind the stage and shelter west of them.

Award Winners Assemble Area – The area behind the stage is where the individual and team award winners in both the boys and girls races assemble at the appropriate time. Marshals will assist the award winners in lining up behind the stage prior to the receipt of awards, after they receive their award, for the post-award fan and VIP-required photos, and for the required press interviews in the shelter immediately adjacent to the stage.

Photo Areas – There are two. The first is on and/or in front of the stage for friends and family. The second is (depending on weather and other factors) behind the stage and/or under the roof of the shelter. The area in front of the stage is open to the general public. The area behind the stage and in the shelter is exclusively for use by VIP, the official photographer of IHSA.

Press Interview Area – The shelter will be used for the required press interviews (top 3 individuals and top three teams). The northwest corner of the shelter has been designated as the area for use in the interviews. This area is for use by the coaches and runners who are participating in the required interviews and members of the working press. The area is off limits to the general public (parents, fans, relatives, etc.).

Meet the 2006 Honorary Referees

Illinois High School Association

BILL BULAT
Rock Island
Honorary Referee

Bill Bulat has served the IHSA as a track and field and cross country official for the past 33 years. During these years he has served as a head starter for both the Girls Track and Field State Finals and the Cross Country State Finals. He worked as the head judge for the long jump at

the boy's finals for 29 years. He has been a starter, assistant starter and meet referee at numerous boys and girls track sectionals and cross country regionals and sectionals.

In addition to his work for the IHSA, Bill has served Augustana College as its cross country starter since 1991. In 2000 he worked the NCAA Division 3 national track and field meet as the head long jump and triple jump judge. In 2001 he worked as the NCAA Division 3 cross country starter. In 2002 and 2004 Bill worked as the NCAA Division 3 cross country starter. From 1992 to 2006 Bill served as the USATF indoor and outdoor regional track starter. In 2000 and 2001 he served the USATF as the long jump judge for the junior national meet. In 2002 Bill served the IESA as their state cross country finals referee.

Bill is a certified track clinician and was recognized by the National High School Federation as the Cross Country Official of the Year in 2004.

As a coach, Bill coached numerous qualifiers and place winners at Rockridge High School. As a high school athlete attending Downers Grove North in 1960 and 1961, Bill qualified for the IHSA State Meet in the mile run.

JAY McCORMICK
Peoria
Honorary Referee

After graduating from Illinois State University, **Jay McCormick** took a job at Tinley Park High School in South Suburban Chicago teaching US History and Economics and coaching football and basketball. After two years on staff, he returned to his native

Peoria for a counseling position at his alma mater, Peoria High School, where he also coached football and served as the head tennis coach.

It was the Fall of 1970 that Peoria High school Principal Harry Whitaker required all Peoria High School faculty to "volunteer" their services to help with hosting of the first IHSA State Cross Country Meet in Peoria. Of course, Jay "volunteered" and that began a trail of consecutive meets that now, in 2006, has never been interrupted. Jay has served as a chute inspector, finish line judge, recorder at the finish line, and for more than the twenty years has served as the public address announcer at the meet. He is now the only "volunteer" to have ever worked in every IHSA Cross Country Final, hosted by Peoria High School in Peoria.

In addition to working the State Cross Country Meet, Jay has been the announcer at Mid-State Eight Conference Events, and IHSA District and Sectional events in swimming, track, and basketball. He left Peoria High School in January, 1986 for administrative position at Richwoods High School, where he later became principal. But in the twenty years since he left Peoria High School, he never failed to show his loyalty and commitment to Peoria High School and the State Cross Country Meet in Peoria.

Don't just go to school, go beyond...with the IHSA!

Illinois ADA Salutes

Cross Country Finalists

The Illinois Athletic Directors Association (IADA), in conjunction with the IHSA, congratulates the teams and their coaches for advancing to the Boys' and Girls' State Cross Country Championships held at Detweiller Park in Peoria. IADA, a state-wide network of athletic administrators, recognizes the commitment, determination and effort that you have exhibited to qualify for this state competition.

The IADA recognizes athletics as an extension of the classroom and an integral part of the total high school experience. The lessons learned during athletic competition provide a solid basis for many life experiences.

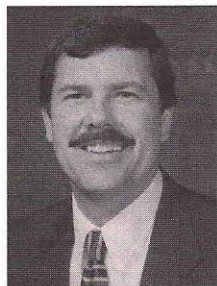

Good sportsmanship enhances these athletic experiences and is an important message for all our athletes and fans. Our association strongly endorses the Sport a Winning Attitude program promoted by the Illinois High School Association. While winning is the ultimate prize, competing within the guidelines of good sportsmanship is of the utmost importance for all to enjoy and remember the events of this weekend. Add A. Tude is for everyone!

As these young athletes, representing their schools and communities, step up to the starting line this weekend, they signify the best from over 750 high schools of the IHSA. The fact that they are here makes every one of them a winner, and we wish each of them the best of luck!
