

# Showing their support

Members of the Mahomet-Seymour Junior High cross-country team—including the girls shown here—wore “Team Jeremiah” decals on their uniform at the Edison meet on Saturday, Aug. 25. The decals are in support of 7-year-old Jeremiah King, whose brother Eli is on the team. (See page 1 for more on efforts to help the King family.)

## Cross Country

August 25 @ Champaign Edison Invitational

The M-S Junior High Cross Country team turned in a strong performance at the Edison Invite. The boy's team finished second out of the 17 teams while the girl's team also turned in a solid performance. M-S captured first place in four of the six races. Both teams finished first at last week's Danville Northridge Invitational. "We have a team full of very talented runners and a very exciting season ahead of us," said Coach Lisa Martin. "All 70 runners are eager to continue their success as they work hard to meet personal and team goals."

Martin noted that all of the M-S runners wore "Team Jeremiah" decals at the starting line in support of their teammate and friend, Eli King, and his family.
