Caine Huart

Urbana, Senior

Soccer

Recently: Key part of a defense that didn't allow a goal in two regional matches covering 160 minutes. His corner kick in the finals against Central found its way into the goal for the lone score.

In his own words: "It's exciting to see we could pull together, work hard and keep playing strong

(after the graduation losses from last year). It's pretty motivational. The defense doesn't get a lot of recognition, but it's a big part of the team."
