State runner-up cross-country team honored at reception on Wednesday

A reception held on Wednesday, Nov. 19, honored the MSHS boys' cross-country team, which placed second at state earlier this month. The runner-up finish was the school's best ever.

Head Coach Neal Garrison honored upperclassmen (**above**) and underclassmen (**below left**) for their contributions to the team. **Below right:** Runners Alex Keeble and Nate Strigotte sign a photo of the team. Keeble placed fourth overall at state.
