MSHS Boys' Cross Country

The Bulldog Cross Country team continued to show its strength and talent as they took second out of 69 teams at the Peoria Notre Dame Invitational on Saturday. Mahomet-Seymour was only outpaced by Sandburg which is ranked #2 in the IHSA AAA rankings.

The Peoria Notre Dame Invitational featured 21 state ranked teams. Coach Neal Garrison said the boys represented the program well by beating legendary cross country programs like York, who has won 27 state titles.

The Bulldog were once again led by junior Alex Keeble, who finished the race in 14:41, which tied the Mahomet-Seymour School record set by Mark Johnson on the same course in 1974. Keeble, along with Jack Hyde, Andrew Walmer, William Wolf, Brian Burcher, Ben Craw, Brian Butcher and Riley Fortune were the Bulldog's top seven finishers for the invitational.

William Wolf and Brian Butcher earned Illinois Elite Status by DyeStat for their performance. Keeble, Hyde and Walmer also earned US Top 100 Status by DyeStat.

The Bulldogs travel to the East Peoria Invitational, which they have won for the last three years this Saturday.
