

## Austin Marcinko Salt Fork/Westville

### Soccer

Why he was chosen: The

Storm's  
sopho-  
more goal-  
keeper  
had 17  
saves in  
Salt Fork/  
Westville's  
run to a  
Class 1A  
regional

championship, including  
nine in the Storm's 1-0  
shutout against top-seeded  
Bismarck-Henning in the  
title match.

**From Marcinko:** "We  
had a good game (against  
B-H). Our defense played  
really strong, and (Dawson  
Labaw's) goal really helped  
us. (The defense) covered  
them really well, and I just  
had time to move to the  
ball because they couldn't  
get a strong shot off."  
**I'd love to drive ... a**

Lamborghini.

**I need an autograph**

from ... LeBron James.

**I need concert tickets to**

... The Who.

**One thing I've never**

**done but want to try is ...**

go hunting.

**If I could have one**

**superpower, it would be**

... to fly.

**My favorite sports**

**moment was ... when I**

won state in baseball in

eight grade.

**My most embarrassing**

**sports moment was ...**

trying to kick a ball and I

whiffed.

**I started playing soccer**

**... when I was 12. I just**

wanted to try something

knew. I quit football and

started playing soccer.

**My favorite thing about**

**soccer is ... getting to play**

varsity. It's been really fun,

exciting.

**The toughest part of**

**being a goalkeeper is**

... reading what side the

other player's kicking the

ball to.

**I wear No. 15 because ...**

I wore that number in state

when we won.

**Before a game ... we run**

**out on the field, and we all**

huddle up.

**In five years, I see**

**myself ... going to college**

and playing soccer.
