MAHOMET — The cross-country state meets are scheduled Saturday at Detweiller Park, beginning with the girls' Class 1A race at 9 a.m.

Mahomet-Seymour's team has a lofty goal for the Class 2A boys' race, which will start at noon.

Four M-S runners were timed in less than 16 minutes Saturday, and coach **Neal Garrison** said, "Honestly, at state, we hope to get all seven under 16, and we think that's realistic."

Schools can enter seven runners for each meet. The Bulldogs have used 10 different runners the past two weeks while winning regional and sectional crowns. Garrison will make at least one change from his sectional lineup for the state finals.
