WELCOME TO PEORIA

2015 State Finals

As Mayor of the City of Peoria and on behalf of the Peoria City Council, it gives me great pleasure to welcome you to Detweiller Park for the 2015 Illinois High School Association Cross Country State Championship Meet, which we are honored has been held in Peoria for 46 consecutive years.

As the host city for many sport-related conferences and events, including the IHS A Boys Basketball State Tournament, it is always a privilege to provide a stimulating atmosphere for competitions. Backed by a tradition of proven family-friendly hospitality, we look forward to being the host for this Meet and encourage our visitors to take time from their busy schedules to enjoy the many fine restaurants, recreational facilities, our riverfront, and the beauty of our city.

Chosen as an All-America City on three occasions, we believe our community is a wonderful place for families and school events. We certainly appreciate your visit, as well as our enduring partnership with the Illinois High School Association, and we look forward to seeing you again in the future.

Sincerely,
Jim Ardis, Mayor

Ron McGraw

Honorary Referee

Most people would associate Ron McGraw with cross country as the IHSA Assistant Executive Director responsible for the sport. Ron has been the cross country administrator for over twelve years. He has spent over 30 years working in high school education in Illinois, as a teacher, coach, athletic director, principal and finally as an administrator with the IHSA. And every step of the way he has provided a positive impact on the students and colleagues working with him. A native of Oneida, Illinois, Ron graduated from ROWVA High School before earning his associate degree from Morrison Institute of Technology. He went on to earn his Bachelor's Degree and two Master's Degrees from Western Illinois University.

Ron began his career in education as a teacher and coach at Sherrard High School, where he coached golf, football, and wrestling during a seven-year tenure. He then moved on to become the Athletic Director and Dean of Students at Monmouth High School. Three years later he was hired as the principal at Knoxville High School, a title he held for a decade before joining the IHSA.

Ron was a member of the IHSA Board of Directors (2001-2004) during his time as the principal at Knoxville High School, before being hired to join the IHSA staff at the beginning of the 2004-05 school year. He has served as the administrator for Boys and Girls Cross Country, Boys and Girls Swimming & Diving, Boys and Girls Track & Field and Scholastic Bowl for the entirety of his tenure.

The Illinois Cross Country State Championship has no rival. It has been called the best in the country, and Ron has had a big hand in assuring it earns that distinction. Ron was instrumental in moving cross country into the 3-class system. It was through Ron's guidance we have maintained the three-mile distance in spite of pressure to go to 5K. Ron has worked to maintain the long traditions related to Detweiller Park and IHSA Cross Country, including providing esthetic additions, such as new fencing, new tents and bleachers. He also had a vision towards enhancements such as posting complete state series meet results online, and creating the evaluation process currently used to provide 100% accurate results at the state series meets. Ron has been a major contributor in the efforts to license, train and support cross country officials, including distinguishing the importance between Track & Field and

Cross Country by establishing a separate Rules Video and Exam.

As IHSA Executive Director Marty Hickman said, "Ron's attention to detail, his ability to work with others, and his constant quest for excellence, has elevated all of the events he has administered for the Association. He has been an unwavering advocate for young people and a great teammate."

Ron McGraw will retire at the conclusion of the 2015-16 school year. He will be greatly missed, but greatly remembered for his outstanding contributions towards IHSA Cross Country.

FOR MEDICAL EMERGENCIES

go to the Advanced Medical Transport trailer at the finish line.

Thank you Marty!

The Illinois High School Association would like to recognize IHSA Executive Director Marty Hickman, who will complete his career at the IHSA upon his retirement in January, 2016. Dr. Hickman joined the IHSA staff in 1991 and ascended to the Executive Director role in 2002. His tenure as Executive Director included unprecedented growth in participation opportunities for students, as the IHSA added State Series tournaments in several sports and activities, including Boys Bowling, Competitive Cheerleading, Competitive Dance, Journalism and Boys & Girls Water Polo. We want to thank Marty for all that he has done for high school students in Illinois, as do several of his colleagues below...

"Without a doubt, the membership schools and student participants were always at the forefront of his decisions and direction. I would personally like to thank him and commend him for his years of service to the IHSA schools and the hundreds of thousands of student participants that he has served. His footprint will always be embedded in the history of the IHSA."

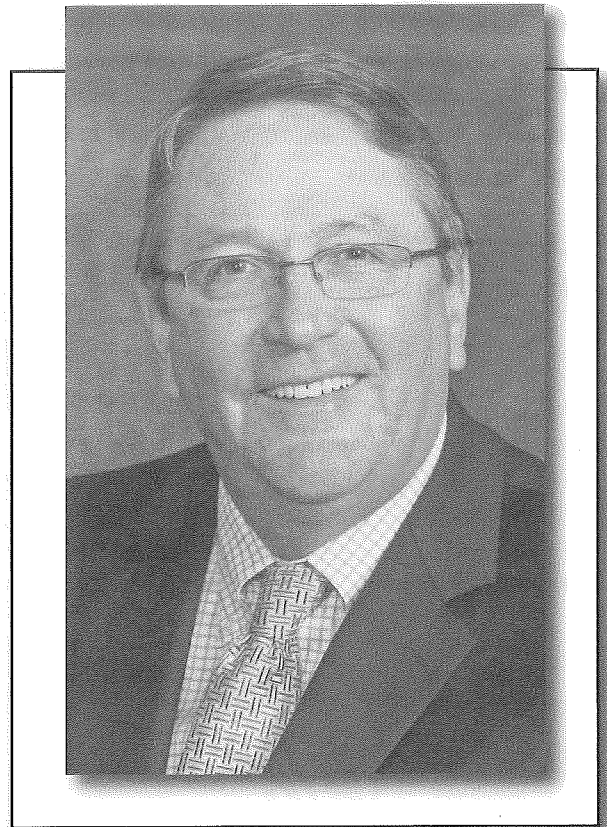

*-Jim Woodward
Former Anna-Jonesboro Principal & IHSA Board Member*

"He is the consummate professional with the unique ability to relate to various stakeholders. Marty takes complex situations, works out the solutions and conveys the resulting message with honesty, integrity and compassion. He is always prepared and willing to go the extra mile. With Marty Hickman the position does not define the man the man defines the position."

*-Anthony Rainey
Former Luther South Principal & IHSA Board Member*

"Marty has always been a strong advocate for interscholastic activities that enhance the educational experience of our future leaders. Marty's leadership and strong relationships throughout the state were important components of his success at IHSA. We wish him the best in retirement."

*-Jim Ardis
Mayor of Peoria, 2005-present*

"Marty Hickman served the Illinois High School Association and the National Federation of State High School Associations as a passionate advocate for students to have opportunities to learn life lessons through participation in sports and activities. Marty chaired the NFHS Strategic Planning Committee and is currently serving on the NFHS Board of Directors. His support for students is widely known and his voice of reason will be missed."

*-Bob Gardner
NFHS Executive Director*

"His tireless efforts and leadership has produced unparalleled achievement for our young people and the IHSA."

Great leaders should give respect and dignity to all the members of the organization. This you did always, from the smallest to the largest school district. Great leaders need the courage to stay true to their convictions and commitments. You stayed true, even when yielding to the squeaky wheel might have been much easier.

One word describes Marty - 'excellence.'"

*-Dr. Ed Hightower
Former Superintendent of Edwardsville School District 7*

"With the leadership of Dr. Marty Hickman, the Illinois High School Association has risen to become one of the top state athletic and activities associations in the country. He has been instrumental in leading the IHSA to provide quality interscholastic opportunities to Illinois high schools students. We have valued working with Dr. Hickman the last 20 years, but truly think of him as a life-long friend and know that he is leaving the organization in good hands."

*-Don Welch
President/CEO of the Peoria Area Convention & Visitors Bureau*

Fans are not permitted access to the area inside the ropes behind the awards stage.

Award Winner Instructions

- 1) Individual Place Winners and Placing Team members report to the back of the Peoria Park District Stage located in the open space west of the course by the shelter at least 30 minutes prior to the scheduled start of their respective Awards Ceremony. The boys and girls awards ceremonies will be conducted separately. The girls will be conducted first. Individuals receiving medallions will be placed in reverse order of finish from 25th to 1st.

The Coaches and members of the top 3 placing teams will be placed by team according to the order provided by the school on their Team Award Information confirmed at the time they pick up their team packet. The medallions and trophy will be presented to the schools in reverse order of finish (3-2-1).

- 2) Award winners must assemble at the correct time, and, once all have checked in, final instructions will be given.
- 3) Each medallion winner will be introduced and enter the stage from the designated side. Proceed to the middle of the stage to the awards presenter, have the medallion draped over the recipient's head, and walk to the other side of the stage and wait there until all 25 individuals have been recognized. The top 25 should remain on stage together until instructed to leave the stage. Group photos will be taken by fans at this time. The order will be 25th place girl, 24th place girl etc. for the individuals. The team order will be 3rd place girls team, 2nd place girls team, 1st place girls team.
- 4) After each individual and team member receives their medallion, they should move to the other side of the stage and wait until all 25 individuals or their team members are present for a group photo on-stage.
- 5) Official photographers from Visual Image Photography (VIP) will take the official photo of each person (individual finisher and/or team member) receiving an award. It will be taken as an individual portrait with the state medallion draped on the person after they received the medallion. In addition, a group photograph (top 25 individuals as a group or each of the top three teams as a team) will be taken after the medallions have been presented. These photographs will be taken behind the stage (or in the shelter in the case of inclement weather) after the medallion(s) has been presented on the stage. VIP photographers may take additional photos during the actual presentation ceremony.
- 6) Following the session with the VIP photographers, the Public Address Announcer will notify the award winners required to participate in the press conference when they are to report to the shelter. The shelter is approximately 20 yards northwest of the stage. The top 3 individuals, plus the head coach and all members of the top 3 placing teams, in each of the six races, will leave the stage area and report as a group for the required press conference. This is in addition to any interview sessions with the media by individual runners and coaches at Detweiller Park earlier in the day.

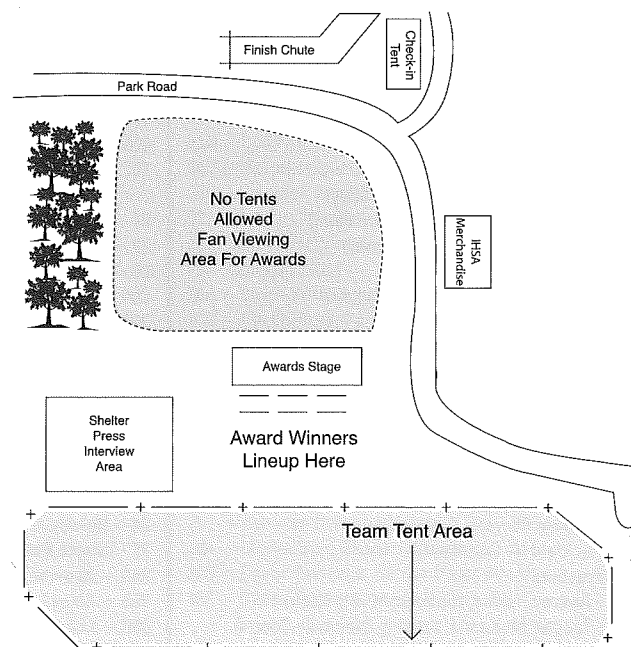

Awards Area Rules and Regulations

No Tent Zone—The area in front of the stage is for fans to watch the awards ceremony. No tents are to be set up in this area. School tents may be set up on the west side of the park road adjacent to the course, or in the tent area behind the stage and shelter west of them.

Award Winners Assemble Area—The area behind the stage is where the individual and team award winners in both the boys and girls races assemble at the appropriate time. Marshals will assist the award winners in lining up behind the stage prior to the receipt of awards, after they receive their award, for the post-award fan and VIP-required photos, and for the required press interviews in the shelter immediately adjacent to the stage.

Photo Areas—There are two. The first is on and/or in front of the stage for friends and family. The second is (depending on weather and other factors) behind the stage and/or under the roof of the shelter. The area in front of the stage is open to the general public. The area behind the stage and in the shelter is exclusively for use by VIP, the official photographer of IHSA.

Press Interview Area—The shelter will be used for the required press interviews (top 3 individuals and top three teams). The northwest corner of the shelter has been designated as the area for use in the interviews. This area is for use by the coaches and runners who are participating in the required interviews and members of the working press. The area is off limits to the general public (parents, fans, relatives, etc.).

Illinois Athletic Directors Association

"taking a leadership role for Illinois student athletes"

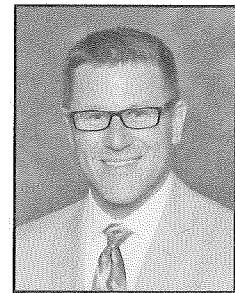

The mission of the Illinois Athletic Directors Association is to take a leadership role in athletic issues to enhance the educational process for student athletes.

JOHN WOODS

President

BRIANT KELLY
Libertyville
President-Elect

The Illinois Athletic Directors Association (IADA), in conjunction with the IHSA, congratulates the teams and their coaches for advancing to the State Finals this weekend. The IADA, a state-wide network of athletic administrators, recognizes the commitment, determination and effort that the student-athletes have exhibited to qualify for their state competition.

The IADA recognizes athletics as an extension of the classroom and an integral part of the total high school experience. The lessons learned during athletic competition provide a solid basis for many life experiences.

Good sportsmanship enhances these athletic experiences and is an important message for all our student-athletes. Our association strongly endorses the Do What's Right Sport a Winning Attitude program promoted by the Illinois High School Association. While winning is the ultimate prize, competing within the guidelines of good sportsmanship is of the utmost importance for all to enjoy and remember the events of this weekend. Add A. Tude is for everyone!

As these young student-athletes, who represent their schools and communities, begin their competition this weekend, they signify the best from over 800 high schools of the IHSA. The fact that they are here makes every one of them a winner. The IADA members wish each of them good luck as they compete this weekend!
