BOYS CROSS COUNTRY

The History of Mahomet-Seymour Boys Cross Country

Mahomet-Seymour High School officially started the cross country program in the 1970-71 season.

Coach Merv Correll was the head coach for the team for two years before handing off the head coaching duties to Coach John King.

Coach John King was head coach from the 1973-74 season through the 2000-01 season. Coach King started the girls cross country program at our school during the 1981-82 season. John King was head coach of both programs until he retired after the 2000-01 season.

Coach Bonnie Moxley was head coach of both the boys and girls cross country team for one year in 2001-02 until the program was split into two separate programs with two separate head coaches. Bonnie Moxley has since been the head girls coach.

Neal Garrison has been head boys coach from the 2002-03 season through the current season.

Our program has been in existence for 47 years. In 2010, the Boys Cross Country team created the Boys Cross Country Hall of Fame in order to honor the coaches and runners that gave so much to our program.

In order to make it selective, we plan to only induct about 2 runners a year into the Hall of Fame after the initial induction ceremony.

Mahomet-Seymour was in the Sangamon Valley Conference to the 1975-76 season.
Mahomet-Seymour was in the Okaw Valley Conference from the 1976-77 season to the 1984-85 season.
Mahomet-Seymour was not in a conference during the 1985-86 season.
Mahomet-Seymour has been in the Cornbelt Conference from the 1986-87 season to present.

I want to sincerely thank all of the alumni and former coaches that have set such a high standard for our current runners to try to improve upon.

Sincerely,

Neal Garrison

Coach John King

Coach John King coached cross country at Mahomet-Seymour for 29 years. He also coached boys track and field during the majority of this time. He also was the junior high cross country coach for some of these years.

John began his coaching career using his running knowledge and passion for running to lead Mahomet-Seymour to be the best team in the area for decades. Coach King was the 2nd coach of 4 total head coaches for the 43 plus year history of Mahomet-Seymour cross country. His first year as head coach of the cross country team was the 1972 season. Coach King's final year was the 2000 cross country season.

Coach King coached the fastest runner in our school's history (Mark Johnson 14:41), the highest team place at State (4th in 1995 and 4th in 1996), a sectional championship team (1979), and eight regional championship teams (1976, 1978, 1979, 1987, 1988, 1989, 1995, and 1996).

Coach King was ahead of his time and had the first female runner on an all boys squad in 1974 (Jenny Johnson) and he created the first girls team in 1981. Coach King can be credited with be the foundation of the Mahomet-Seymour Cross Country program.
Coach King was also a strong cross country runner himself. He was a 2 time Vigo County champ, a 2 time Western Indiana Con. champ, and one various other invitational championships. He ran for Indiana State University where he broke the school record 3 times.

He can still be found on some all-tournament team records for his accomplishments. Merv was a physical education teacher and driver education instructor at Mahomet-Seymour high school. Merv also coached boys basketball during most of his teaching career. He was asked by the administration if he would be willing to coach cross country due to his coaching abilities. Jenny Johnson

Jenny Johnson (now Jennifer Krueger) was the first female runner on an all boys squad in 1974. Just a few years earlier in 1967, Kathryn Switzer was tackled by the well respected Boston Marathon race director in an attempt to preserve the sanctity of the most prestigious marathon in the world by not allowing a female to run in it. In 1973, Title IX had just been passed to give females an equal opportunity in sports. However, in reality, girls sports still weren't treated equally.

Mahomet-Seymour and Jenny Johnson were ahead of the times. Jenny ran in 1974 and Mahomet-Seymour had their first all-girl's team in 1981. The Olympics wouldn't even let females run the marathon until 1984 and even then with much controversy. It would be hard to imagine the pressure of being the first female to join an all male sport's team.

Jenny demonstrated a tremendous amount of personal strength to break the barriers and to open up the doors for females in the sport. Jenny was quite a successful runner going on to qualify for state in track in the 1600 and 3200.

Jenny also helped break the barriers at the college level as she was on the first women's cross country team at Cleveland State University in 1980.

Our school record was set at the Peoria course, which is the state meet course. We know this course is a true 3 mile course. Many of our courses are short or long. Our school record holder ran for Coach John King in the early 70's.

In the 1973 season, Mark was a junior, most valuable runner for the team and a state qualifier.

In the 1974 season, Mark Johnson was a senior, a captain, the most valuable runner for the team, and placed 13th at state.

Mark holds the 5th highest "Most Dual Meet Wins for a Career" on the IHSA site with 36 wins from 1973-75. He also holds the 2nd highest "Most Dual Meet Wins for a Season" with 18 wins during the 1974 season. He also has the 2nd highest "Most Consecutive Dual Meet Wins in a Career" with 36 from 1973-1975. IHSA Records

Mark set our school record in the 1600 and 3200 in track. These two records are still some of the best ever in the area 40 years later.
