MSHS Cross Country (Boys)

The first-ranked AA Bulldogs were led by Seniors Andrew Walmer, Ben Crow, Gabe Pommier and Brian Butcher alongside Juniors Riley Fortune, Ryan Hodge and Sophomore Mathias Powell as they finished first at the Charleston Invitational Saturday.

MSSH captured 12 of the 40 medals handed out, including the top 8 spots.

MSSH Cross Country (Girls)

The girls' cross country team came out on top of 15 other schools participating in the Charleston Invitational Saturday. Brisa McGrath and Megan Churm finished in third and fourth places, respectively. Six other MSSH runners finished in the top 17 of 105 runners.

MSSH Soccer

MSSH defeated Champaign Central 5-4 on PK's after the game ended in 1-1 in regulation Friday night.

Evan Lundstrom, Felipe Artola, Austin Carr, Coleman Maves and Joah Moore all scored in the PK shootout.

"PK's is never a fun way to sort a victor and a loser but tournament situations call for a winner and a loser," Head Coach Andrew Kennedy said. "We were fortunate to be the victor. Congrats to Central they were pressuring our midfield all night and kept our defense busy."

MSSH Football

Hunter Crowley led the Bulldog rushing game with 86 yards, and Josh Turner grabbed received two passes for 60 yards.

MSHS defense was led by Daunte Roberts and Ryan Emmerd with 12 and 11 tackles, respectively.

MSJHS Cross Country

The MSJHS cross country team traveled to the Cowchip Classic in Chrisman Friday.

One parent stated, “while the cows were gone, the cow pies were not. Hustling through this hilly course as quickly as possible, and with the least possible cow chip contact, is a time-honored tradition.”

Team scores are not kept at this meet, but MSJHS runners did receive individual honors.
