Although nearly every runner on the Mahomet-Seymour Junior High team ran their best time of the season, the Bulldogs came up short in their quest to compete at State as a team Saturday morning.

“Starting with a group of 84 runners, we honestly can say this was a very tight team for being so large,” Coach Lisa Martin said. “This group of runners worked hard together to grow as a team and represent their community well.”

Brother and sister, Matthew and Elizabeth Sims will compete at the State meet Saturday, though. Elizabeth ran her personal best of 12:52, placing 8th, and Matthew placed 10th at the Sectional meet with a time of 11:55.
