## EVENT SECURITY POLICY

To help insure the safest and most secure atmosphere for this IHSA State Final, event management will diligently maintain established security procedures and activities. This will require complete cooperation by all competing teams, contest officials and fans. Security will always have priority over convenience; therefore, if you are requested to cooperate with event personnel in any manner, please do so promptly. Your assistance will enable our staff to fulfill its responsibilities efficiently.

## ALCOHOL AND ILLEGAL SUBSTANCES PROHIBITED

The possession, distribution, sale, possession and or consumption of alcoholic beverages and illegal substances is prohibited on the property of any IHSA state series contest facility. State series hosts are required to make all state series contest sites, including parking lots, fan accommodation areas, and other school or event venue property, alcohol and illegal substance free zones on the date or dates of any IHSA event being held at the site. Event personnel will enforce this policy rigorously.

## PERSONS AND POSSESSIONS SUBJECT TO SEARCH

Please note that all persons and their possessions are subject to search upon entering an IHSA State event venue. Items prohibited under this policy or any item deemed by the IHSA or event staff to be dangerous or harmful to persons or property will be confiscated. Patrons of any IHSA state series contest who do not cooperate with event staff in their enforcement of this policy will be removed from the premises, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

# Welcome to Peoria

## 2017 STATE FINALS

As Mayor of the City of Peoria and on behalf of the Peoria City Council, it gives me great pleasure to welcome you to Detweiller Park for the 2017 Illinois High School Association Cross Country State Championship Meet, which we are honored has been held in Peoria for 48 consecutive years.

As the host city for many sport-related conferences and events, including the IHSA Boys Basketball State Tournament, it is always a privilege to provide a stimulating atmosphere for competitions. Backed by a tradition of proven family-friendly hospitality, we look forward to being the host for this Meet and encourage our visitors to take time from their busy schedules to enjoy the many fine restaurants, recreational facilities, our riverfront, and the beauty of our city.

Chosen as an All-America City on three occasions, we believe our community is a wonderful place for families and school events. We certainly appreciate your visit, as well as our enduring partnership with the Illinois High School Association, and we look forward to seeing you again in the future.

Sincerely,  
Jim Ardis, Mayor

# Who We Are

## HISTORY

*Founded in 1900, the Illinois High School Association is a not-for-profit organization with over 800 member high schools. The IHSA is headquartered in Bloomington and is not funded by tax dollars or administered by the government of the State of Illinois.*

### people

The principals who comprise the **IHSA Board of Directors** volunteer their time and energy to serve the IHSA and its member schools. Each Board member represents a geographic Division in the state after being nominated and then elected in a vote by other principals in that Division.

The **IHSA staff** administers the state tournaments in all sanctioned activities and sports, including the selection of State Series sites, assignment of officials and on-site state final management. The staff is responsible for the education and enforcement of the by-laws that its member schools vote into existence.

### effecting change

The IHSA is a charter member of the **National Federation of State High School Associations (NFHS)**. IHSA officials use the applicable NFHS Rules Book to govern all athletic contests. As an NFHS member, the IHSA can propose national rule changes in any NFHS sport.

The rules that govern the setup and scheduling of each state tournament are known as the **Terms & Conditions**. Each sport and activity has a geographically diverse **Advisory Committee** that reviews recommendations to change its Terms & Conditions. Recommendations can come from any member school coach or administrator.

Any member school can propose a new by-law or a change to an existing by-law. Those proposals are reviewed by the **IHSA Legislative Commission**, a 35-person group of Principals and Athletic Directors from around the state. The proposed changes are reviewed by all IHSA member schools at mandatory Town Meetings held at 28 different high schools throughout the state. The proposals that are moved forward by the Legislative Commission are voted on by every member school and must pass by a simple majority to become a by-law.

### dollars and sense

The IHSA's primary source of income is generated from ticket sales in State Series events. On average, about eight total State Series sports programs produce positive revenue streams annually, with the profits from those sports being used to help fund the tournaments for the IHSA's other 30-plus sports and activities.

There is no cost for a school to become an **IHSA member** or to renew its membership annually.

### officials

The IHSA licenses over 12,000 **officials** annually. Passing a rules test and attending hands-on educational clinics taught by the state's top officials are among the many requirements that officials must complete to remain eligible to work the State Series. **Member school coaches** have a direct effect on who works the State Series by rating the performance of officials.

Over  
**368,000**  
participants in  
**30** sports  
and  
**9** activities  
statewide in  
**ILLINOIS**

## WHY WE ARE HERE

*IHSA State Final events are celebrated by **schools, competitors, coaches, communities and fans** alike each year, and rightly so, but it is also important to remember that only a small percentage of the participants from IHSA member schools reach this level of competition. The IHSA's existence centers around fostering participation opportunities that will help develop and instill the necessary characteristics to make **today's high school students tomorrow's community leaders.***

**The Future Plays Here!**

## Detweiller Park - Peoria State Final Course

RT 29

# Cross Country *Honorary Referees*

2017 STATE FINALS

Paul Beiersdorf is a swimmer by trade and a part of the IHSA Cross Country State Finals by passion. He grew up on the North Shore, where he earned All-American honors as a swimmer at New Trier High School, leading to a collegiate swimming career at Illinois State University.

Paul Beiersdorf  
Peoria

After college, Paul remained in central Illinois, teaching and coaching in the Peoria area. Around 1980, he began to volunteer at the IHSA Cross Country State Finals and has remained a fixture ever since. His responsibilities have varied over the years, including spending two decades reading the splits at the 1.5-mile marker. For the past dozen years, he has been responsible for delivering at least one of the course vehicles.

Paul taught physically and mentally impaired children, was a vocational work coordinator, high school counselor and advisor at Illinois Central College throughout his work career. Additionally, he has coached swimming at the high school and youth levels for over 30 years.

Paul continues to reside in Peoria with his wife of over 30 years, Connie. They have three children Lauren, Claire and Ian, as well as four grandchildren. He is a past President of the Anshai Emeth Congregation, served on the Temple Board and is currently serving as the Social Action Chair. He also serves as a Regional Chair for the Union of Reform Jews, as well as on the Board for the Peoria Promise program.

Galen Bennett was a runner in high school, competing in cross country and track & field at Byron High School. A track & field state meet qualifier as a student-athlete, he has come full circle as one of the key individuals for the famed annual state meet at Detweiller Park in Peoria.

Galen Bennett  
Byron

Following his qualification in the state track meet in 1977, he maintained his interest in cross country and track & field after graduating, but wouldn't realize his calling until almost two decades later. After encouragement from Oregon native and 40-year IHSA track & field official Harry Fletcher, Galen joined ranks as an IHSA track & field official in 1995 and added cross country officiating duties nine years ago.

Galen has been assigned to work numerous IHSA Sectional and State Final Cross Country meets in a variety of roles throughout his career, including as a Clerk and Head Clerk of the Course. He was the State Final Referee in 2009, and two years later was selected as the Starter for the Class 2A Boys' race.

Galen is a member of the Illinois Track and Cross Country Official's Association (ITCCOA ) and previously served as the President of the organization.

Galen resides in Byron with his wife Denise and has two children, Kelli and Kole. He has worked for the Byron Fire District for the last 36 years and currently holds the position of Fire Chief.

**Official Photos:** Visual Image Photography (VIP) is the exclusive official photographer for all Illinois High School Association (IHSA) State Final events. Action, feature and/or individual award photographs taken by VIP may be ordered after the Awards Ceremony at Detweiller Park or at any other time via the Internet. Fans may stop by the VIP booth in Detweiller Park before they return home today and place their order. The VIP booth is located on the west side of the course near the Concession Tent and the PACVB booth. Fans also may order from the VIP Web Site @ [www.vipis.com](http://www.vipis.com)

**Fan Photos:** Spectators will have access to a photo area in front of the stage during and after the respective individual and team awards presentations. A total of approximately four (4) minutes will be set aside for fans to take team photographs. It is strongly recommended that fans use the VIP service. Fans are not permitted access to the area inside the ropes behind the awards stage.

## Award Winner Instructions

- 1) Individual Place Winners and Placing Team members report to the back of the Peoria Park District Stage located in the open space west of the course by the shelter at least 30 minutes prior to the scheduled start of their respective Awards Ceremony. The boys and girls awards ceremonies will be conducted separately. The girls will be conducted first. Individuals receiving medallions will be placed in reverse order of finish from 25th to 1st. The Coaches and members of the top 3 placing teams will be placed by team according to the order provided by the school

on their Team Award Information confirmed at the time they pick up their team packet. The medallions and trophy will be presented to the schools in reverse order of finish (3-2-1).

- 2) Award winners must assemble at the correct time, and, once all have checked in, final instructions will be given.
- 3) Each medallion winner will be introduced and enter the stage from the designated side. Proceed to the middle of the stage to the awards presenter, have the medallion draped over the recipient's head, and walk to the other side of the stage and wait there until all 25 individuals have been recognized. The top 25 should remain on stage together until instructed to leave the stage. Group photos will be taken by fans at this time. The order will be 25th place girl, 24th place girl etc. for the individuals. The team order will be 3rd place girls team, 2nd place girls team, 1st place girls team.
- 4) After each individual and team member receives their medallion, they should move to the other side of the stage and wait until all 25 individuals or their team members are present for a group photo on-stage.
- 5) Official photographers from Visual Image Photography (VIP) will take the official photo of each person (individual finisher and/or team member) receiving an award. It will be taken as an individual portrait with the state medallion draped on the person after they received the medallion. In addition, a group photograph (top 25 individuals as a group or each of the top three teams as a team) will be taken after the medallions have been presented. These photographs will be taken behind the stage (or in the shelter in the case of inclement weather) after the medallion(s) has been presented on the stage. VIP photographers may take additional photos during the actual presentation ceremony.
- 6) Following the session with the VIP photographers, the Public Address Announcer will notify the award winners required to participate in the press conference when they are to report to the shelter. The shelter is approximately 20 yards northwest of the stage. The top 3 individuals, plus the head coach and all members of the top 3 placing teams, in each of the six races, will leave the stage area and report as a group for the required press conference. This is in addition to any interview sessions with the media by individual runners and coaches at Detweiller Park earlier in the day.

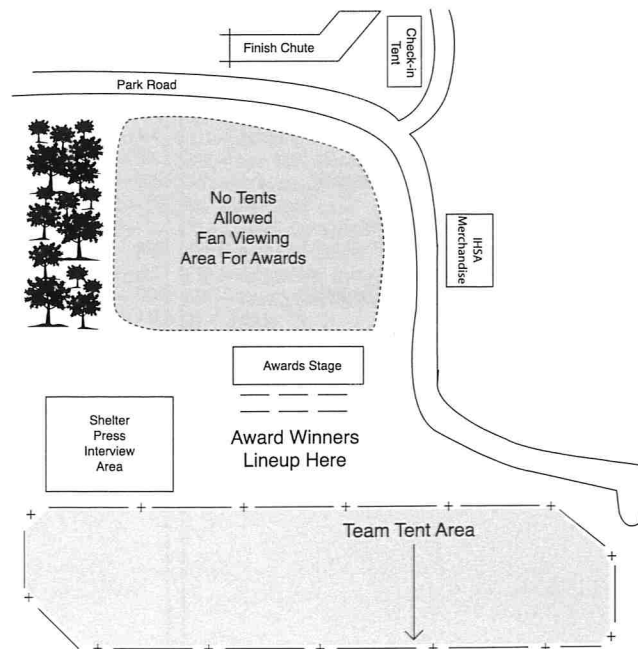

## Awards Area Rules and Regulations

**No Tent Zone**—The area in front of the stage is for fans to watch the awards ceremony. No tents are to be set up in this area. School tents may be set up on the west side of the park road adjacent to the course, or in the tent area behind the stage and shelter west of them.

**Award Winners Assemble Area**—The area behind the stage is where the individual and team award winners in both the boys and girls races assemble at the appropriate time. Marshals will assist the award winners in lining up behind the stage prior to the receipt of awards, after they receive their award, for the post-award fan and VIP-required photos, and for the required press interviews in the shelter immediately adjacent to the stage.

**Photo Areas**—There are two. The first is on and/or in front of the stage for friends and family. The second is (depending on weather and other factors) behind the stage and/or under the roof of the shelter. The area in front of the stage is open to the general public. The area behind the stage and in the shelter is exclusively for use by VIP, the official photographer of IHSA.

**Press Interview Area**—The shelter will be used for the required press interviews (top 3 individuals and top three teams). The northwest corner of the shelter has been designated as the area for use in the interviews. The Illinois Athletic Directors Association (IADA), in conjunction with the IHSA, congratulates the teams and their coaches for advancing to the State Finals this weekend. The IADA, a state-wide network of athletic administrators, recognizes the commitment, determination and effort that the student-athletes have exhibited to qualify for their state competition.

The IADA recognizes athletics as an extension of the classroom and an integral part of the total high school experience. The lessons learned during athletic competition provide a solid basis for many life experiences.

Good sportsmanship enhances these athletic experiences and is an important message for all our student-athletes. Our association strongly endorses the Do What's Right Sport a Winning Attitude program promoted by the Illinois High School Association. While winning is the ultimate prize, competing within the guidelines of good sportsmanship is of the utmost importance for all to enjoy and remember the events of this weekend. Add A. Tude is for everyone!

As these young student-athletes, who represent their schools and communities, begin their competition this weekend, they signify the best from over 800 high schools of the IHSA. The fact that they are here makes every one of them a winner. The IADA members wish each of them good luck as they compete this weekend!
