2019 ILXCTF.com Illinois Boys Top 100 Cross Country Team List

By Michael Newman

mike@dyestat.com

Here is a list of the top 100 Illinois XC teams regardless of class for the 2019 season. Results of more than 400 Boys teams were analyzed from 2019 meets to come up with this list.

The list compiles performances from the entire season and not a team's last race. There is more emphasis in the list on races contested towards the end of the season using information and results from IHSA.org, Athletic.net, Seasonal Rankings from ILXCTF.com, and Illinois XC Speed Ratings (ilxcspeedratings.com).

Top 75 lists from each classifications are also included.

Top List Notes:

With the IHSA changing the classifications starting this season, it was interesting to see if there would be any significant changes compared to last year. 69 Class 3A Schools, 21 Class 2A Schools, and 10 Class 1A Schools made up the 2019 Top 100 Lists. This compares to 65 Class 3A schools, 22 Class 2A schools, and 13 Class 1A schools make up the top 100 list in 2018.

Highland Park (#71) is the highest ranked team in the top 100 list not to run in a sectional meet. This compares to **Oswego** who was ranked #55 in 2018. Oswego's 2018 projected top five average at the end of the year was 16:00. The average for Highland Park in 2019 was 16:19.
