## Illinois XC 2020: Preseason Preview Series

Tony Jones

Aug 20, 2020

Hinsdale Central has been one of the elite teams in the state over recent times because of its ability to develop and nurture young talent. It appears that the Red Devils will have another lowstick star on its hand by the name of Daniel Watcke. Watcke, the son of former Indiana State prep 3200m champ (**Craig Watcke**- 1985)/brother of graduated star [Emma Watcke](#), tore up the undercard scene last year. His mother is **Molly McClimon (Watcke)** which means he has the inherent ingredients to be a BIG star. Of course, hard work is key and Daniel has done that.

This emerging sophomore lot produced 12 sub 16:00 efforts which are solid. Look for several of the field to shoot for sub 15:00 this fall.
