DAN AHEARNE

Dan Ahearne, of the Irish-American Athletic Club, has been in this country only about three years; but in that time has created an enviable record as a jumper.

He won the National A. A. U. junior broad jump championship in 1908.

In 1909 Ahearn established several new records for the hop, skip, and jump; but the A. A. U. threw them out on technicalities.

In July, 1909, Ahearne succeeded in getting his name on the record books by creating a new record for the two hops and jump, doing the distance of 50 feet 2 inches.

Ahearne has also done very good work at three standing jumps and other similar contests.
