

Conference meet Saturday, the Lady Bulldogs came up one point short of beating the favored University High School Pioneers and winning the conference title.

“I was never so proud of a “losing” team as I was today,” head coach Bonnie Moxley said. “They ran with all of their hearts and more. I have come to believe in the saying ‘Sometimes you win and sometimes you learn’ I can only hope that the returning sophomore group will use this near win to fuel their efforts next summer when it comes to training. They should be the teams to beat next year if they decide to do the work.”

Lauren Whitehouse was in control of the individual race finishing at 17:54.

MSJHS Cross Country

While continuing to battle an injury, Madison Louis ran a personal best for the season Saturday as she competed in the IESA State meet.

Louis placed 47 out of 215 runners. She has competed in the State meet all three years of her junior high career.

“This is a very rare achievement for any runner,” Head Coach Lisa Martin said. “We are so proud of Maddie and the work she has

done to get where she is through the three years of her junior high cross country career.”

The MSJHS boys’ team also competed well Saturday. Mathias Powell ran a lifetime best at 10:32 to earn sixth place. Bryson Keeble finished 23rd and Kaelan Davis finished 25th. All three received All-State Medals.

All of the Bulldog runners ran close to personal bests Saturday, earning the team fifth place in the State 3A race.
