the top seven runners.

“This is an amazing statistic and proves that our boys’ pack is one of the strongest in the state,” said head coach Lisa Martin. “We had all seven boys across the finish line before most teams had their top five boys across the finish line.”

Riley Fortune led the pack finishing 36th at 11:07. He was followed by Mathias Powell (11:16), Ryan Hodge (11:16), Bryson Keeble (11:22), Kaelan Davis (11:27), Calan Whitehouse (11:30) and Evan Burge (11:32).

Martin also mentioned that while Jacob Peterson, Jacob Hamilton and Kyle Sheehy sat out the race as alternates, they have also worked very hard this season.

“We not only have one of the strongest packs on the course at every meet, but we also have the strongest pack sitting on the sidelines ready to run,” she said. “It is a great situation for a coach to be in, but one of the toughest for those that serve as alternates.”

Seventh-grade student Madison Louis received All-State honors for her top 25 (18th) finish at the State meet. Louis ran a lifetime best at 11:58.

“Maddie ran strong the whole race, peaking at just the right time of the season,” Martin said.

Seventh-grade teammate Abby Kyle worked hard to recover from being boxed in during the race. She finished two second best her season best.
