RAY C. EWRY

Ray C. Ewry, of the New York Athletic Club, has won more Olympic and National championships than any other athlete. He competed at Paris in 1900, St. Louis in 1904, Athens in 1906, and London in 1908, winning two or more events at each meet.

At Paris in 1900 Ewry won the standing high jump, the standing broad jump, and the standing triple jump, and in 1904 repeated these feats. In 1906 and 1908 he won the standing high and standing broad, making four Olympiads in which Ewry has demonstrated that he is without an equal as a jumper. He is a National and Metropolitan champion many times over.
